Clean up the World

Thamesmead in bloom

New Customer contact hours

Gallions

Last of the summer fun

The children may be back to school and the evenings getting cooler but the summer is not quite over yet. On Friday 15th September, Gallions is playing its part in a worldwide campaign to help clean up the world. Working alongside McDonalds and Thames 21, Gallions has organised a day's cleaning, clearing and fixing. It will be a day filled with fun for all the family with refreshments and goody bags available. So why not come along and lend a hand as Gallions sweeps into winter. See page 11 for full details of how to register.

Complaints Contacts

Gallions aims to provide a first class service to all its residents. However, if you are unhappy with the service you have received there is a policy in place to help you make a complaint. A step-by-step guide is available on the Gallions website under the 'contact us' section. You may also get in touch with the Complaints Management team who will advise you what action to take. Your feedback is important to Gallions.

DO IT WITH DIRECT Debit

Whether you want to pay your rent weekly or monthly, now paying by direct debit couldn't be easier. If you fill in a direct debit form and return it to Gallions, your rent will automatically be paid on a set date every week or month. You won't have to set out to the post office or shop every week and your payment is covered by the Direct Debit Guarantee.

For more information about how to set up a direct debit please call into Gallions Harrow Manor Way office and ask for an application form. You may also call the Gallions freephone number 0800 83 84 81.

neighbourhood forums

Gallions quarterly Neighbourhood Forums are organised by members of Gallions Resident Board. They provide a clear line of communication between Gallions and the community and are an opportunity for residents to raise issues that affect their own neighbourhood.

Local issues need local solutions and only by helping Gallions identify the problems can they take steps to put them right. It is your opportunity to have your say – don't miss it.

Details of the next round of Neighbourhood Forums will be published in the October issue of Thamesview. For more information about the Forums please contact Gallions freephone number 0800 83 84 81 and ask for Helen Chambers.

Gallions Asset Management

Advice from asset management

Gallions will shortly be carrying out stock condition surveys to some properties. The results will help shape the association's planned maintenance programme. Residents affected will be contacted in order to make an appointment for surveyors to access their home. These are essential surveys and Gallions would very much appreciate residents' co-operation with fixing access times. Gallions will be as flexible as possible in meeting residents' needs.

Turning up the heat

It has probably been some time since you have thought about the heating in your home but Gallions Asset Management team states that now is the time to test it out. After months of none, or little, use it is a good idea to check your heating before we move into the winter months. Any problems can them be dealt with before the cold sets in. Good advice.

GRB

GALLIONS RESIDENTS' BOARD

Out and about with Gallions Resident Board

This summer a mixture of Gallions Resident Board members, Tavy Bridge Residents Association members and Gallions' staff attended the Tenants Participation Advisory Service (TPAS) Conference in Birmingham. TPAS is the leading national organisation working to promote tenant empowerment. A series of training workshops were on offer covering topics such as 'Getting Communications Right' and 'Neighbourhood Management'.

All those who attended the conference agreed it was an excellent opportunity to share ideas with other housing providers, tenants and staff. Gallions group was particularly interested in listening and learning about how these organisations worked together to improve their neighbourhood.

Gallions' Service Improvement Co-ordinator Sue Pollard was delighted to learn about a self-assessment toolkit that TPAS had developed. Designed to support high customer service standards in tenant involvement, Sue is keen to put something similar in place at Gallions in the near future.

Interested in earning £5 for sharing your opinion? Then read on....

Gallions is looking for volunteers to join their Telephone Database who would be happy to take part in telephone surveys. You will be contacted at a time convenient to you and you will receive a £5 voucher for your time. You will be asked about a wide range of topics and your input will help Gallions deliver the services the residents really need. **If you would like to join our Telephone Database then please contact Helen Chambers on 020 8320 3477 or e-mail: hchambers@gallionsha.co.uk**

WALK THIS WAY

Did you know that this month the country celebrates National Walking Week? Between 16th and 24th September 06 rambling and walking groups up and down the United Kingdom will be out and about discovering new walks and enjoying the arrival of autumn.

There are a number of Green Chain Walks in and around Thamesmead and Erith so get your walking boots on and see what's out there. In 2 ¼ miles you can travel from Thamesmead to Lesnes Abbey spotting wildlife along Thames Wall and Marshes and Southmere Lake. Or you can wander from Erith Riverside to Bostall Woods in 3 ½ miles taking in Frank's Park, along the way. And finally, why not stop at Ye Olde Leather Bottle for refreshments before heading on to Hurst Pond.

For more information on the extensive network of Green Chain Walks or to find out more about events taking place during Walking Week please visit www.greenchain.com.

Thank you Chubby Brown's Café

Café owner Ken came to the rescue of Greenmeade's over 50 Club when their clubhouse closed for refurbishment. The club would have been without a meeting place for some 10 weeks had it not been for Ken suggesting that the Club held their bingo nights in the café.

Mrs Thelma Jackman who has been involved with the club for 15 years was delighted with the offer. *"Many of our members are elderly and the club plays a very important part in their lives. We arrange trips and events all the time and it would have been difficult for some members not to have this social contact. We are delighted with Ken's kind offer and would like to say a big thank you."*

Chubby Brown's Café is on the corner of Lime Row. The Greenmeade Over 50's Club will be running bingo nights there on Mondays and Thursdays for the next few months. If you would like more information about the club please contact Mrs Jackman on 0208 310 0240.

MIDDLE WAY BALL COURT

Gallions Housing Association is improving the condition of the middle Way ball court.

The refurbishment will include: • Replacing the perimeter fence • Removing tree roots • Resurfacing the area • Replacing the goals and basketball hoops. Over the next few weeks, Gallions Neighbourhood Wardens will be visiting residents in the area to ask for your comments.

Gallions will be on hand at the ball court on Tuesday 12th September, 4pm - 6pm so that you can discuss the improvements.

If you require any further information please contact Gallions on 0800 838481.

Thamesmead in Bloom

It's that time of the year again when Thamesmead's finest gardeners are recognised and rewarded for their hard work by Gallions Thamesmead in Bloom competition. With some of the extreme weather conditions we have seen in recent months, together with the restrictions on water usage, it has not always been easy for committed gardeners. However, once again, we have seen a fantastic display of creativity in the community.

The annual Thamesmead in Bloom competition is open to all residents of Thamesmead. Whatever the size of your garden or balcony, the judges are looking for inspirational floristry that really stands out from the crowd – and once again, they weren't disappointed. **Whether nominated by friends, family, neighbours or passers by each winner has created a display to be proud of.**

Tropical Thamesmead

The four categories within the competition are for front gardens, back gardens, balcony and window box displays. With his tropical theme, Mr Richardson of Aspen Green picked up first prize for his inspired front garden. Mrs Rozario-Martin had transformed her small front garden into an immaculate display of colour. Making the most of the space available, Mrs Rozario-Martin collected second prize in the front garden category.

A riot of colour

There were three outstanding winners in the back garden category. First prize went to Mrs Williams of Disraeli Close whose garden was bursting with colour. Not to be outdone, Ms Banks' back garden was home to more than 100 different species of plants all skillfully arranged. Ms Neighbour of St. Martin's Close has created a truly inviting back garden where friends and family can all relax together. A well deserved third place.

Beautiful balconies

Working in partnership, Mrs Demo and Mr Hadwin of Shire court have created a magnificent garden on their communal balcony. Picking up joint first prize, the neighbours have created a fantastic walkway and balcony filled with pots and bright colours. Coming in a close second place was Mrs Knowles who has made the most of her 10th floor balcony in Penton House with several tiers of window boxes.

Wonderful window boxes

While this may be the smallest category in the competition, it doesn't stop the rivalry between Thamesmead's hanging baskets and window box experts! First prize went to Mrs Cowcher of Mangold Way with Mr Sneddon of Portmeadow Walk picking up second prize. A fantastic effort from both winners.

This year, as with every other, has unearthed some real treasures in Thamesmead. A perfect miniature village on Hinksey Path complete with miniature stream and a collection of thriving pot plants on top of a garage in Disraeli Close are just some of this year's most interesting finds. Irene George, Gallions competition judge concludes, *"It never ceases to amaze me how adaptable people are when it comes to gardening. Those determined to make a mark with pots, plants, flowers and shrubs will always find a way. The gentleman in Disraeli Close with the pots on the roof has to go up a ladder to water them! Now that's commitment."*

ONE2ONE

Open all hours

On 1st September 2006, Gallions Customer Contact Team launched its 24-hour telephone service. Residents can now get in touch with the team any time of the day or night. Vicky Holland tells Thamesview how the call centre's new working hours will benefit residents.

With a staggering 1,750 calls coming in on an average week, Gallions call centre provides an essential front-line service. From calls dealing with nuisance behaviour to checking rent accounts, the team offers a 'one stop shop' for all residents' queries. Team Leader Vicky Holland says, ***"We are constantly looking at ways to offer residents a service that really meets their needs. It is not always possible for residents to get in touch with us during working hours. This flexible approach will make the team more accessible to more people."***

Vicky believes that residents will see immediate benefits with a reduction in call-waiting times, call centre staff available at weekends to answer queries and on-line requests processed instantly. Reporting repairs is now easier and more efficient than ever and emergency calls will be handled within 2 hours of being reported, night and day. Many residents will also be delighted to hear that Gallions new 24-hour service will include 24 hour monitoring of the closed circuit TV cameras currently in operation.

A new night shift team has been employed to man the phones from 8pm until 8am when the existing call centre team will take over. In addition to taking calls and answering queries, the night shift team will also be involved in running a campaign to encourage feedback and input from residents. The team will be calling residents to ask them about a range of services offered by Gallions. From rent statement to resident involvement, it is an opportunity for residents to have their say about the level of service they receive. The night shift team will also be responsible for driving forward a number of on-going projects such as updating the database and investigating ways to maximise efficiency. *" The new shift work pattern gives us an opportunity to review many aspects of not just the call centre's work, but the work of the whole association.. The weekend and night shift team will be actively involved in identifying ways to continually improve the range and quality of service we offer."*
Vicky is confident that the 24-hour service will get off to a flying start and is keen that if residents are contacted they take some time to tell Gallions their opinion on what works and what could be improved. *"It is important that residents do tell us how they feel about the call centre. We want to continue to develop our service to meet our residents' needs."*

For more information about the call centre's new opening hours please contact the team on 0800 83 84 81. Alternatively, please visit Gallions website www.gallionsha.co.uk or drop into the reception at Harrow Manor Way.

New call centre times

Why not make use of Gallions new 24/7 service?

Telephone lines are fully manned day and night and the team is available to answer rent queries, report repairs and offer a full customer contact service. So if you need to get in touch with the team, remember that you can now call them at a time that suits you.

0800 83 84 81

This month Gallions is asking residents to join them in tackling the problem of litter and rubbish left lying around. The association is taking part in a global 'Clean up the World' campaign which aims to highlight the environmental hazards posed by litter louts. We take a look at how the campaign has taken off around the world. Turn to page 11 for details of how you can do your bit for the big clean up.

1.

The Clean Up the World campaign (CUW) has been running for 13 years and started in Australia.

2.

CUW is one of the World's largest community based environmental campaigns with 35 million volunteers from more than 100 countries.

3.

CUW activities include recycling, tree planting, water reuse and conservation and education programmes.

4.

The CUW mission statement is "Clean up, fix up and conserve the environment".

5.

CUW was started by Ian Kiernan, an Australian Yachtsman, who could not believe the amount of marine litter he encountered while sailing.

6.

Every year UK households throw away the equivalent of 3.5 million double decker buses, that would stretch from London to Sydney and back.

7.

Recycling 2 glass bottles saves enough energy to boil water for 5 cups of tea!

8.

Supermarkets give away an estimated 171 billion plastic bags. This is the equivalent to 290 bags for every person in the UK.

9.

In 2001 UK households produced the equivalent weight of 245 jumbo jets per week in packaging waste.

10.

Fibre from recycled telephone directories and yellow pages is used to make egg cartons, cat litter, jiffy bags and animal bedding.

11.

A recycled aluminium can saves enough energy to power a television for 3 hours.

12.

600 million aerosols are used in the UK each year. Only 7.5% are recycled compared to the rate of 60 -70% in Germany.

WHAT'S ON AT TAVY BRIDGE

At the Tavy Bridge Project Office there are many FREE advice centres and groups that are there to help you. Along with information about the progress of the area's regeneration, there are a number of other meetings and sessions that may be of interest to you.

Welfare Benefits Advice

Gallions specialist advisor Derek Stainsby is on hand to make sure residents are receiving their full entitlement to housing benefits, social security benefits and tax credits.

He runs a session from the project office every 2nd Wednesday of each month from 10am until 4pm.

Neighbourhood Advice Sessions

Gallions Neighbourhood Warden's and Housing Co-Ordinators are available at the project office every Thursday afternoon from 3:30pm to 5pm to discuss any problems or concerns you have.

Employment Service

Trust Thamesmead's Building Futures project now runs a session every Tuesday from 10.00am to 12.30pm help you seek employment.

Legal Advice

Law Centre volunteers and trained welfare rights advisors will be available to discuss any queries you have or to give advice every Tuesday from 1.30pm to 3.30pm

There is no need to book to attend these meetings - just come along to the project office on the days and times that suit you.

meet the team

New in the neighbourhood

Gallions has recently formed a dedicated Neighbourhood Projects team responsible for creating and delivering an ambitious Neighbourhood Projects strategy. The team aims to help build a thriving and dynamic community for all of Thamesmead's residents. Thamesview talked to the team to find out who does what.

Andrea Kilvington

Head of Neighbourhood Projects

akilvington@gallionsha.co.uk

Role in the Association

Andrea has been responsible for developing partnerships with the police, local authorities, government offices and other agencies. Her work has helped to identify and deliver a number of key community initiatives.

As Head of Neighbourhood Projects Andrea will be looking at a number of ways to support Gallions growth including possible stock transfer opportunities, the development of partnerships in new business areas and attracting funding.

"Over recent years we have worked hard to identify and act on community concerns and develop projects to directly address the issues that matter to them most. We have built strong partnerships with other organisations to maximise the effectiveness of our service and project delivery. We have already in place an excellent foundation of strong partnerships and the new team will build on this platform. We will continue to listen to the local community and develop initiatives that meet the needs and hopes of local people."

Debbie Withall (pictured)

Neighbourhood Projects Manager

dwithall@gallionsha.co.uk

Role in the Association

Debbie is responsible for managing the identification and delivery of all new community projects.

Supporting Andrea, Debbie manages the delivery of all initiatives and works closely with the Neighbourhood Services teams to ensure all areas within Thamesmead are receiving adequate and relevant projects. Debbie is responsible for managing partnerships with key service providers, preparing project profiles and submitting funding bids.

Lesley Edwards

Neighbourhood Projects Officer

ledwards@gallionsha.co.uk

Role in the Association

Lesley joined Gallions when the CHANGE project began in October 2004. As a Benefits & Banking Officer, Lesley helped Gallions' residents to open Post Office and Bank accounts to have their welfare benefits paid direct into.

Lesley then went on to become the Neighbourhood Investment Team Leader managing a dedicated team to provide residents with support and encourage them to 'get involved' with Gallions activities and projects .

Lesley and her team supported the Gallions Residents Board and also implemented many community projects including a graffiti project and summer football activities with Charlton Athletic FC. Lesley is the teams Projects Officer and is responsible for researching and delivering new and exciting projects designed to enhance the well-being and lifestyles of the residents of Thamesmead.

Marie Dunster

Neighbourhood Projects Graduate Trainee

mdunster@gallionsha.co.uk

Role in the Association

Marie focuses on the research and analysis of potential community projects. By investigating the strengths and weaknesses of all initiatives, Marie is able to identify those which will have a positive impact in the community and those which will really make a difference to residents.

Marie became one of Gallions first graduate trainees when she joined the Association in February 2005. After gaining valuable work experience in the Business Support department, Marie has now joined the newly formed Neighbourhood Projects team.

By following Gallions carefully structured graduate scheme she hopes to further her education and become a fully-fledged Projects Officer. Marie's responsibilities in the team include researching potential projects, managing small schemes and identifying sources of funding for all new initiatives.

JMF Support Group for Children with Disabilities

Every Saturday between 1pm and 3pm in the Jubilee Hall at Lytton Strachey Path JMF run a drop-in centre for parents who have children with disabilities. The kids can play, interact and learn in a safe environment whilst parents can chat over a cuppa and make new friends.

The Support Group also organise home visits and offer telephone advice to parents as well as arrange outings. So come along for a couple of hours and find out what support JMF can offer you.

If you would like to get involved and would like further information please contact Mrs Bailey on 020 8310 5885 or pick up a leaflet from Gallions Tenants Resource Centre.

RUBBISH TIMES

Join us in the international campaign to clean up the world

MAKING A CLEAN SWEEP

REGISTER TODAY BY CALLING JOANNE SCOTT ON 020 8320 3409

The stage is set for one of Thamesmead's biggest ever clean up projects - and we want your help.

McDonalds, Thames 21, Team Gallions, local schoolchildren and many volunteers are all joining forces to help get rid of rubbish. Litter is a big problem and that's why we are asking everyone to do their part.

Together we can tackle trash and make Thamesmead a clean and safe environment for all.

Packed with fun and hard work, the day will help highlight to everyone the importance of looking after our environment.

Tom Broad, Environmental Services Manager at Gallions Housing Association says:

"We spend an enormous amount of time and money clearing up rubbish that is simply left lying around. Residents' rent is being spent on this when it should go towards maintaining the grounds and managing the parks and open spaces."

- **Litter picking with McDonalds**
- **River cleaning with Thames 21**
- **'Fixit' with Team Gallions**

So come along and join in the global campaign to clean up the world, starting right here in Thamesmead.

FRIDAY 15TH SEPTEMBER 9.30am ST PAUL'S CHURCH, BENTHAM ROAD, THAMESMEAD.

Clean up the world
