Thamesview Update

In 2007, we will be looking again at how to improve Thamesview so if you have any ideas or comments, please let us know. Contact details for the Marketing Department are printed below. We'll be setting up an Editorial Panel which will include members of staff from across the different departments at Gallions which provide your services, together with a number of GRB representatives who will be able to let us know your views. We'll let you know who they are in next edition so that you can feed your ideas through to them.

Meantime from everyone at Gallions, we'd like to wish everyone a peaceful and healthy New Year.

Complaints Contacts

Gallions aims to provide a first class service to all its residents. However, if you are unhappy with the service you have received there is a policy in place to help you make a complaint. A guide is available on the Gallions website under the 'quick links' section on the front page. You may also get in touch with the Complaints Management team who will advise you what action to take. Your feedback is important to Gallions.

Dear Residents

The Road To Excellence

I wrote to you in the last issue of Thamesview outlining our journey on the 'Road to Excellence', which made specific reference to the formal Audit Commission Inspection due in February 2007.

The Audit Commission has officially confirmed the date as 19th February 2007 and asked us to submit a number of documents, including our self-assessment report, by 18th December 2006. Following receipt of these, the Lead Inspector will notify us of the intended scale of the inspection.

The inspection will always include the following service areas:

Repairs and maintenance (including meeting the Decent Homes Standard)

Dealing with anti-social behaviour

Management of housing income

They will also look at a number of areas across the organisations:

Access and customer care

Diversity

Value for money

The Lead Inspector and his team will visit Gallions before the inspection to brief us on the process, present their initial impression of the service from their review of our documents, and outline the focus of the inspection. They may also request a tour of the neighbourhood.

During an on-site visit, the inspection team will set up a formal resident focus group so they can speak to residents about your aspirations for the services we provide for you and the wider communities. Your feedback, along with their findings, will shape the final report informing the public about the performance of Gallions.

Finally, if you would like more information on the Audit Inspection please contact our Audit Inspection team on 0800 838481 or visit our web site. We'll be keeping you posted on how the inspection progresses.

Yours truly

Tony Cotter
Chief Executive

FREE PRIZE DRAW

Be entered into our free prize draw when you pay by direct debit.

If you want to make your life that bit easier then why not pay your rent by direct debit. This hassle free alternative means that once the payments are set up your bank sends your rent payment automatically to Gallions.

What's more if you pay by direct debit you will automatically be entered into our free prize draw to win a £100 voucher from a retailer of your choice in Thamesmead or Bexleyheath.

To qualify for the draw you must also:

- Have a consistently clear rent account each week, and no other debts owed to the Association. (Other debts include things like rechargeable repair balances or court costs.)
- Have a clear tenancy history with no record of Anti Social Behaviour Orders (ASBO's) or any other breaches of tenancy.
- Have a record of being a Gallions secure or assured tenant for a minimum of 6 months at each prize draw. (This scheme does not include shared ownership tenants).

For more details about paying by direct debit and full details of the prize draw please contact the Credit Control Team on 0800 838481.

Gallions decision is final. The first draw will take place on 10th April 2007.

NEW RESIDENT HANDBOOK

Tony Cotter, directors and other members of Gallions staff are hand delivering the resident handbook to residents on Saturday 27th and Sunday 28th January between 8.30am and 4.00pm. So look out for your copy that weekend!

WE'VE CHANGED THE WAY TO GET ON OUR REGISTRATION LIST

Due to the high demand for Gallions' housing, we've had to make some changes to the way we run our housing registration list.

Thamesmead residents wanting housing will now need to apply to their own councils, choosing Thamesmead as one of their options.

There are two exceptions to this, which are for children of existing tenants and leaseholders, and single people and couples aged 40 and over who require one-bedroom flats.

To meet the criteria you must:

- be the son/stepson or daughter/stepdaughter of a Gallions Housing Association tenant or leaseholder, and be aged 18 or over
- be living with your parent(s) for 12 months or more and have documents to prove your residency

OR

- be single people or couples aged 40 and over, you will be considered for a one-bedroom flat on the first floor and above. We will not accept applications if the need is for the ground floor or for properties adapted for the disabled (which are available through local councils' occupational therapists)

You must:

- be able to provide documents confirming current and previous addresses for the last three years such as household bills or bank statements
- provide confirmation of income
- provide confirmation that you're receiving child benefit (if you're applying for a bed space for a child)
- provide birth certificates for all applicants and household members
- if you are a foreign national, provide Home Office documents confirming:
  - Permanent Residency
  - Refugee status
  - Exceptional Leave to Remain
  - Proof of EEC nationality

Anyone other than those listed above should apply to their local council and we are unable to accept applications from:

- people who own or part own their own property
- Foreign Nationals who have been granted Asylum Status, Work Permits and Leave to remain to a certain date.
- EEC family members applying without the EEC National Partner

If you meet the criteria you can either download the application form from our website www.gallionsha.co.uk or phone our Customer Contact Team on 0800 838481 to obtain an application form. Once you have completed the application form and have all the required documents, please get in touch with the Customer Contact Team to make an appointment to submit your application. Interviews are conducted in our offices at Harrow Manor Way on Tuesdays only.

Please note you will also need to provide a passport sized photograph of yourself (and your partner, if applicable) when you submit your application form.

Please be aware that demand for our properties is high and we are unable to advise you how long you may need to wait before we will be able to offer you accommodation. You will be offered a maximum of two offers.

We advise all applicants to apply for housing with their local council. The boroughs of Greenwich and Bexley are offered our properties through a nomination agreement.

Gallions Housing Association has no temporary or emergency housing, if you are in urgent need of housing you will need to contact your local council.

Our Customer Contact Team is open 24 hours a day 7 days a week.

LIFE GETS BETTER AT WREN PATH

Residents' lives at Wren Path were being made a misery by a number of young people behaving anti-socially but now it's all getting a whole lot better.

Wardens, concerned that their residents were being caused upset and disturbance, decided to act quickly and firmly.

They used the CCTV system to find out exactly what was happening in the area and then delivered letters to residents to let them know just how they were going to deal with the problem.

Patrols around Wren Path by wardens increased and offending youths were escorted from the block. Wardens also worked with the local police and the Greenwich Council Anti-Social Behaviour team to try to improve the situation.

Joint patrols took place by the warden and the Moorings Safer Neighbourhood Police team, during which the police seized alcohol from the youths and were able to identify who was causing the problems.

Now that they have been identified, the youths can be interviewed with their parents and asked to sign Acceptable Behaviour Contracts, where they agree not to enter Gallions' properties or behave in an anti-social way.

Gallions' Asset Management team is going to improve Wren Path to make the building more secure and also upgrade lighting, which in turn will make residents feel much more comfortable and safe.

To make sure these measures continue to work effectively, wardens and their partner agencies will monitor Wren Path and Whinchat Road, and also put together a joint task force to work together on longer-term solutions.

To report anti-social behaviour call the ASB hotline or speak to a Neighbourhood Warden

AN APOLOGY

GARAGE RENT INCREASES

Gallions would like to apologise to all residents who rent a garage from us for the delay in amending garage accounts to show the revised charge, which was announced this summer.

We have experienced some technical difficulties which have held this up and would like to say we're sorry for any inconvenience that has been caused to you.

If the correct charges do not show, and you wish to clarify the true position of your account, you can get in touch with the Credit Control team for advice about your account.

As soon as we have made the adjustments to your account, we will send you a revised statement.

Safety Awareness

Three life size colour paintings produced by pupils from three local primary schools now take pride of place on the hoarding of the Boiler House Site. The existing boiler house, being demolished to make way for the construction of a new £15m housing development scheme for Gallions Housing Association, will be a building site for some time. To promote safety awareness on building sites Denne Construction, the developers working with Gallions on this major regeneration project, gave talks on safety awareness on building sites to local primary schools.

Over 800 pupils aged between 3 to 11 were then set the challenge of designing a poster to promote safety awareness. Pupils and teachers from the three winning schools (Jubilee, Hawksmoor and Windrush) were on hand to see the unveiling of the paintings in December.

Commenting on the paintings at the unveiling ceremony, Janette Nye, Development Manager for Gallions said -

"Not only do the paintings enhance the overall appearance of the site, they also convey an important message to other young people about the importance of safety around construction sites "

The winning schools were each presented with book vouchers.

STRANGER DANGER!

The Neighbourhood Wardens have been busy highlighting "stranger danger" to the local primary schools.

Visiting Windrush, St John Fisher, Parkway and Northwood the wardens spent time talking to the children about the importance of not speaking to anyone they don't know and taught them what to do if a stranger approaches them.

With hundreds of kids shouting 'You're not my friend, go away' at the top of their lungs it's safe to say the message definitely got through.

The wardens plan to take this assembly to other local schools this year so look out for them visiting your local school in the near future.

How does your garden grow

Team Gallions have also been busy helping local primary schools to start up their own school gardens. Free spring flower bulbs have been given to schools including Parkway, Heronsgate, Hawksmoor and many more. Team Gallions also offered their expertise to prepare the areas for planting and the children helped to plant the bulbs ready for a spring bloom.

All schools have now been entered into the new 'best school garden' category in the annual 'Thamesmead in Bloom' competition, so watch this space to see how the gardens are getting on.

Christmas at the Atrium

Here are some snaps from the annual christmas party at the Atrium. Christmas 2006 was celebrated 1940s style - if you're wondering about the uniform!

RENT CORNER

Calculating Monthly Rent

If you choose to pay your rent on a monthly basis, we want to make sure that you pay the correct amount to avoid any mistakes.

If you multiply your weekly rent by 4, this will only cover 48 weeks of the year, and you will not pay all of the rent due.

To calculate the correct monthly rent, take your weekly rent and divide by 7, (this will give you a daily rate). Then multiply by 365 (to get the yearly rate) and then divide the amount you get by 12. This is the amount that you must pay each month.

GARAGE UPDATE

If you are interested in renting a garage from us and would like more information about the garage deposit scheme, please call our freephone number 0800 838481.

Charges are:

- £7.50 per week for standard garages
- £9.50 per week for garages in a secure location

A 3-week rent deposit will be required prior to the start of a garage tenancy. This money will be refunded at the end of the tenancy subject to certain conditions.

New charge for lost access security fobs

As you know, Gallions are committed to reviewing and improving services to you and are always looking at ways to improve efficiency and reduce our running costs so that we can pass this on to our residents.

Gallions has always borne the cost of replacing lost security fobs and as the number getting mislaid is rising, from 1st January 2007 we will be passing on the costs by charging for the replacement of lost fobs. This will cost £10 (including VAT) which is the actual cost to Gallions of getting new ones.

If you do lose your fob, go to our main Harrow Manor Way office and our friendly and helpful staff will explain how to go about getting a new one.

Gallions will not charge for the replacement of damaged fobs. Please bring these into reception as usual and a replacement will be provided.

Perfect Fit

- **Do you need one less room to keep clean and tidy?**
- **Are the stairs becoming a problem?**
- **Would you like to move nearer friends and family or people of a similar age?**
- **Are you finding it difficult to pay your rent and meet other costs?**
- **Are you struggling to maintain your property?**
- **Have you ever thought about moving to a smaller property?**
- **Are you interested in moving to the Bexley, Bromley, Greenwich, Lewisham or Southwark areas?**

If you answered yes to one or more of the above then read on. Gallions is here to help.

As your family grows up and leaves home, you may find yourself with bedrooms you no longer need. Older residents especially can find it physically difficult to maintain larger properties and gardens. Associated costs including heating, lighting and internal decoration, while essential, can easily become an unnecessary burden.

One solution is the Under-occupation Scheme – a proven successful scheme in many areas for tenants who wish to downsize to smaller properties. Gallions is promoting this scheme and we are looking to help under-occupying tenants to move either within our own selection of homes or those of other participating housing associations in the Bexley, Bromley, Greenwich, Lewisham and Southwark boroughs.

Tailor-made for you

Gallions will offer you a personal re-housing service, discussing your requirements, the type of home and location and ensuring that the property meets your social and medical needs. We can also assist with completing any necessary paperwork, medical forms and sheltered housing referrals also offering assistance in applying for properties, viewing and accepting them!

In addition to this personal service, we will also be able to offer financial assistance with removal costs and reconnection of 'white' goods (like cookers and washing machines).

This scheme is 'in the making' and discussions will begin with the other participating housing associations to finalise the scheme soon.

Meanwhile, to register your interest in this great opportunity, please complete the slip below and return to the Gallions offices at Harrow Manor Way or alternatively register your interest with the Customer Contact Centre on 0800 83 84 81.

make a difference

There are many ways in which we can all help to make our local communities visibly different this coming year. Welcome to the 'Make a difference' campaign where Gallions is hoping everyone will want to take part to make Thamesmead a more pleasant and environmentally-friendly place to live.

Throughout 2007, we'll be giving you lots of tips on how you, as residents, can make small changes every day which, in turn, will make a huge difference to the area you live in.

One thing which is visible to everyone – and which can be fixed almost overnight – is the unsightly problem of rubbish.

If everyone follows the advice below, Thamesmead would look much nicer and be a cleaner place to live. It would also be much more environmentally-friendly and we'd all be doing just a bit more to help the planet.

We're 'talking rubbish' and how to start making a difference NOW:

- Report rubbish if you see it dumped or being dumped in the street where you live.
- Rubbish dumping is a form of antisocial behaviour and you can tell us about anyone doing this by calling the antisocial behaviour hotline on 020 8320 3441.
- Calls are confidential and you do not have to give your details.
- Dispose of unwanted household items in the right way.

The Greenwich & Bexley refuse teams only collect household waste; they do not collect the following:

- boxes
- furniture
- domestic appliances
- garden waste

If you live in Bexley, you have two options to safely get rid of the above items:

1. You can take your refuse to the refuse and recycling centre on Thames Road, Crayford. They're open from 7.30am to 4pm daily. Call 01322 283655 for more details.
2. You can arrange to get the items collected from your home. Collections are carried out between 6.45am and 4pm Mondays to Fridays. Call 020 8303 7777 to find out more.

If you live in the Greenwich area, here's what you can do:

1. You can take your refuse to the refuse and recycling centre in Nathan Way, Plumstead. They're open from 8am to 6.30pm Mondays to Fridays, from 8am to 5pm on Saturdays and from 9am to 4.30pm on Sundays. Call 020 8921 4661 for further details.
2. You can also arrange to get the items collected by contacting the Greenwich Cleansweep Team on 020 8921 4661 to make an appointment.

Please note: charges may apply for collections and you may need to obtain passes to the refuse and recycling centres.

Alternatively, you can book a slot for Team Gallions to collect your unwanted bulk waste, which they do once a month. The next collection date is Monday 5th February. For more information or to book, call free on 0800 838481.

The award winning Bexley Stop Smoking Service can give you the help and support you need to give up Smoking for good!
