Car Park at Harrow Manor Way Office

The barrier at the entrance to Gallions Office car park has recently been moved to ensure that cars not authorised for parking are not left there for long periods of time. If you do need to use the visitors spaces simply pull up to the barriers and press the intercom button. Gallions staff can then allow you entry.

RESIDENT'S HANDBOOK DELIVERED – HAVE YOU GOT YOURS?

We hope everyone has now received their handbooks and have found them useful. More than 4,500 handbooks were delivered to residents by staff during January.

The handbooks are to make sure that all Gallions information about your housing service is available for you. Updates to the handbooks will be sent during the year (within your editions of Thamesview) to ensure you are kept up to date with any changes.

If you do have any queries about the handbook please contact our customer call centre (24 hour service) on 0800 838481.

Like talking and getting paid – our telephone surveys are for you!

Gallions has a database of 250 residents who have volunteered to take part in our telephone surveys to get residents views on different aspects of our work. The surveys take just 7 minutes to complete and each volunteer is given the opportunity to say they cannot take part if they are busy at that time.

Every time a volunteer participates in a telephone survey they get a £5 voucher as a 'thank you'.

We would like to expand the number of young people (under 22 years old) on the database so if you are interested in taking part please contact Helen Chambers, GRB Officer, on 020 8320 3477 or email hchambers@gallionsha.co.uk. You can also apply on the Gallions website.

Need money advice?

There's a free service to help you.

This month Gallions are introducing a new service for residents from the Greenwich Money Advice Service, who are running free weekly advice sessions for anyone struggling with money problems.

If you are in arrears with your rent or mortgage, can't pay your council tax, are struggling with your store cards, bank loans or catalogues then they can help by making offers to your creditors based on what you can afford. They can also advise you on court procedures for debt including county Court Money Judgments, bailiffs and bankruptcy.

How Energy Efficient is Your Home?

Gallions regularly carries out a study to establish the amount of fuel used in residents' properties to help improve energy efficiency in homes.

We are looking for residents to take part in this study. We will need details of your Gas, Electricity & Water bills and you will be asked to fill out a short information sheet on how you use your heating and hot water, plus how many people are in the home and the average amount of hours the home is occupied.

Any information will be confidential.

Please contact Marion Lineham on 0800 838481 for more information.

Rent Payments – Important Information

Have you received a letter from Gallions advising that you are in rent arrears but you are sure you have paid?

Sometimes payments come in missing vital information and we cannot post them to the correct account. The payments are placed in a separate account until such time that the payments can be claimed.

If you think this could apply to you please contact the Credit Control Team so that we can credit your account. We will need proof of payment and/or receipts to claim the payment.

Please remember to keep your receipts for all rent payments until you have checked them against your quarterly rent statement. If a payment has not been credited to your account we will need your receipt. This helps us trace the payment and prove that it is yours!

CALL CENTRE TIMES

Why not make use of Gallions call centre 24/7 service?

Telephone lines are fully manned day and night and the team is available to answer rent queries, report repairs and offer a full customer contact service. So if you need to get in touch with the team, remember that you can now call them at a time that suits you.

Neighbourhood Warden's Out and About

Our Angling Project starts up again this month at Thamesmere Lake. To find out more about how you can learn the art of fishing and gain a new hobby contact Neighbourhood Warden Phil Briggs on 07887 724378.

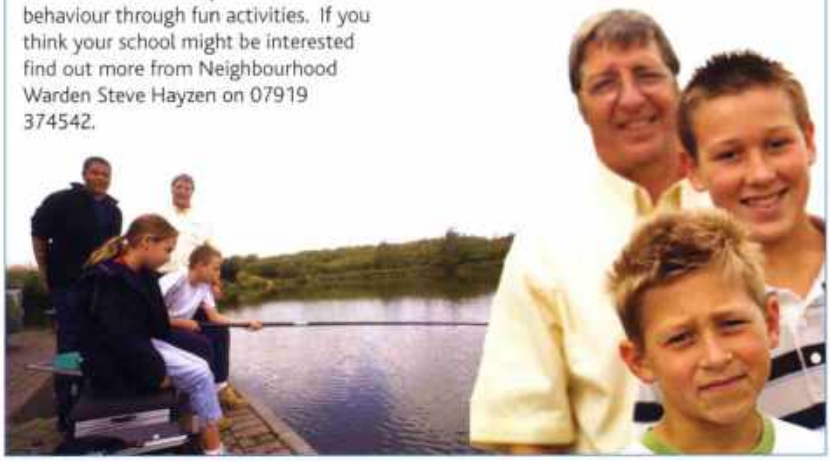

Bexley Football Street League. This popular project will be coming back to the Wolvercote Road Ball Court, South Thamesmead on 16th April 2007. The project includes football coaching as well as ball court games especially for young people. Contact Neighbourhood Warden Steve Hayzen on 07919 374542.

The wardens are currently working with Parkway School to introduce a Junior Warden Scheme which will train kids to understand the impact of anti-social behaviour through fun activities. If you think your school might be interested find out more from Neighbourhood Warden Steve Hayzen on 07919 374542.

Binsey Walk Action Group

During February Binsey Walk residents met with Gallions staff to discuss issues with rubbish dumping, maintenance, anti-social behaviour, and regeneration.

As part of the resulting action plan a letter has been sent to all residents and a number of residents have taken personal responsibility for certain issues, such as challenging un-neighbourly behaviour, designing signage to use around the chute areas, reporting issues earlier to Gallions so that it is easier to identify problems. If you would like to be involved in this residents group please contact Gallions on 0800 83 84 81.

WREN PATH

At Wren Path, residents had been having a very difficult time with youths hanging around the blocks and causing a great deal of disturbance.

Gallions spent time identifying the youths causing the disturbance and have now been able to sign 7 Anti Social Behaviour Agreements and a further 9 youths have been warned about their behaviour. This means that the youths who sign the ABA's are given restrictions that they must meet whilst out on the streets. The neighbourhood Wardens, Police Anti Social behaviour Team and Gallions all monitor these agreements and will deal with any breaches.

Electrical safety in your home

Gallions will be carrying out electrical safety testing to all tenanted properties over a five year programme.

Building regulations have changed meaning that electrical DIY work carried out even by leaseholders and freeholders is subject to meeting certain requirements and the approval of Building Control.

If you are intending to carry out any DIY electrical works then please contact your local authority's Building Control department for advice, or visit the website www.partp.co.uk/consumer for more information.

The Writing's on the Wall

The term graffiti refers to drawings, patterns, scribbles and messages or tags that are written or carved on walls and other surfaces. It may be art to some, but in reality graffiti blights areas and to those whose property is defaced these markings are a form of vandalism that is unwelcome and distressing.

Graffiti can lead to a decline in an area as well as a lack of respect for where people live, work and play. It is estimated that graffiti costs the UK over £1 billion per year to clean up.

Those caught causing graffiti can be prosecuted under the Criminal Damage Act 1971. If the damage caused is less than £5,000 the maximum fine is £5,000. Young offenders may be given a community service order.

Gallions spends £70,000 per year removing graffiti from Thamesmead. This large sum of money could be put to much better use, such as renewing play equipment, providing additional CCTV, improving homes and communal areas.

Any racist and offensive graffiti will be removed within 24 hours of receiving the report and we aim to remove other graffiti within 10 days.

Where those responsible for graffiti are identified, we always take action against them and share information with the Police.

There are a number of ways that you can help us tackle this problem and reduce the level of graffiti in your area:

- Report incidents of graffiti to us
- "Shop them and stop them" by letting us know who is responsible for graffiti in your area. Call our Anti-Social Behaviour Hotline on 020 8320 3441. You can do this anonymously.
- Adopt a wall scheme. Would you be willing to take responsibility for ensuring a wall remains graffiti free? We will provide the paint, protective clothing and health and safety advice.
- Why not get together with your neighbours and have a clean up weekend. It is a good opportunity to get the children involved and show them the damage that is caused to the community simply by spraying graffiti. We can help you with the resources you need.
- Let us know the areas in your neighbourhood that are graffiti hot spots. We can then determine the best way to reduce the problem.

Graffiti is a community issue and by working together we really can make a difference.

Thamesmead Vision

What is it and what will it mean to me?

The Thamesmead Vision is a report that looks at the potential Thamesmead has to become a community offering an outstanding quality of life for all its residents.

Since Thamesmead was built in the late 1960's it has suffered from social and economic decline which means that much needs to be done to make it once more a place where people choose to live and work.

This report identifies ten key themes which all play a part in helping transform Thamesmead. The themes are illustrated in a clear spiral to help show just how the transformation can take place.

The spiral is very important to everyone who lives in Thamesmead as it maps out the work that must be done by the local authorities, housing associations and other government and social agencies to ensure that Thamesmead becomes a thriving neighbourhood.

The ten key themes are:

- Balancing the community
- Giving a heart to Thamesmead: creating a vibrant town centre
- Building Quality Neighbourhoods
- Connecting Thamesmead: Neighbourhoods, community and region
- Generating a dynamic and local economy
- Unleashing personal potential
- Caring for the community
- Unlocking Thamesmead: creating a green environment
- Re-branding Thamesmead: A sense of identity and place
- Championing the community: representing the residents

We need you to understand the vision and help take it forward. Nothing can change without the help of the residents so you will play the biggest role.

Come along to our residents' conference to find out more about the vision and how this will affect you and your family over the coming years.

Gallions Housing Association, supported by The Gallions Residents Board invites you to

The first Annual Residents Conference.
