The beach is back

This year we will be celebrating the Trust Thamesmead summer festival in Hawaiian style, with a big luau party.

On Saturday 12th July we will transform a little piece of Birchmere Park into a fantastic tropical paradise, with funky hula games, a Hawaiian costume competition and brilliant entertainers.

Gallions Housing Association residents will receive exclusive access to the beach and can win some hot prizes – look out for more details in the next edition of Thamesview.

So, get your sun cream and grass skirt at the ready and bring your family along for an amazing day of sun, sand and surf.

Check out our website and Kidsview magazine for colourful costume ideas and to discover more about our exotic beach party plans.

Date released for our Residents Conference

The Gallions Housing Association Annual Residents Conference is back and promises to be even bigger than last year.

The exciting event will be held on 13th September, from 10am until 3pm at the Southlake Centre. All our residents are invited to come along to give their views, discover more about our services and future plans and hear from a fantastic inspirational speaker.

We will be running a number of fun and informal workshops to find out what you think about our neighbourhoods and how they are run. We have made some impressive progress and innovative changes to the way we do things as a result of last year's conference and we aim to be even more successful this year.

We will be writing to all residents with full details closer to the time but make a note for a great day in your diary now.

Lunch and light refreshments will be provided for our guests and childcare facilities are available on request. For more information about the day contact **neighbourhoodprojects@gallionsha.co.uk or call the team on 0800 83 84 81.**

A breath of fresh air

Gallions Housing Association has been working closely with the South East Green Chain Project to make sure you can enjoy the local parks, woodlands and green spaces even more. Green Chain is a fantastic network of over 300 open spaces running from Thamesmead Riverside to Crystal Palace park, where you can take in great views, get up close to exciting wildlife and enjoy some time out.

A number of new benches have recently been added along your local part of the Green Chain Walk, so you can take a rest from your exercise and enjoy a sandwich or two. The rustic style benches were funded by Transport for London and have been made from recycled driftwood. They were crafted by staff and volunteers at the Riverwood Project, a social enterprise that enables local people with learning disabilities to learn and use new skills. The benches have been dedicated to inspirational local people so make sure you look out for them on your travels!

We have also been making improvements to the Abbey Road Bridge, which is part of Section One of the Green Chain Walk. The footbridge had become an anti-social behaviour target but we have erected fencing on the bridge to prevent objects being thrown onto the road below and lighting has been fixed to illuminate the walkway.

Calling all artists to the Green Chain

During the school holidays this month we will be working with community arts company Positive Arts and Bexley Council to produce a mural on the footbridge that will represent the landscapes and features of the Green Chain Walk.

If your children are aged 11-18 and would like to showcase their creative flair by helping with the mural email neighbourhoodprojects@gallionsha.co.uk or call 0800 83 84 81.

For more information about the Green Chain Walk visit www.greenchain.com or telephone the Green Chain Information Line on 020 8921 5028.

Tavy Bridge Tell us your views

We recently carried out a survey to find out how Tavy Bridge residents would like us to communicate and consult with them.

As the survey was conducted over the festive season the response rate was not as high as we would have liked.

We really want to know what our residents think so we are carrying out evening telephone surveys to find out more.

Please help us understand your views by contributing to the research as best you can.

Complaints and contacts

Gallions aims to provide a first class service to all its residents. However, if you are unhappy with the service you have received there is a policy in place to help you make a complaint. A guide is available on our website.

The Wardens show off their figures

Our Neighbourhood Wardens have core **3** roles in the community; acting as a deterrent against crime, reporting environmental nuisances and community involvement.

The Neighbourhood Warden scheme has been running for **6** years and within in this time the Wardens have continued to develop the way they work to make a real difference in the community.

There are **8** Wardens that work within the community on really varied projects; from nail art classes to fishing clubs and cookery groups to personal safety talks.

Each year the team walk an average **4380** miles whilst on patrol in our neighbourhoods. That's like walking from Thamesmead to Cairo, twice!

In **2008** the team will be carrying out their regular duties as well as rolling out the new Junior Warden scheme, running the new season fishing project and working with schools at Gallions Nature Centre (Tump 53) once it has opened later this year.

Contact a neighbourhood warden on 0800 83 84 81 to find out more.

Gallions Residents Board Elections

The Gallions Residents Board (GRB) is made up of volunteers who are elected by tenants and leaseholders to represent the views of the community. The group monitor our performance, ask questions and get involved with our decision-making process to make sure that we deliver the services residents really want.

The next election is in July and we will be sending out letters to residents in June to ask for nominations. New members are in post for 3 years and will take their seats at the GRB Annual General Meeting in August.

GRB members are from all walks of life and have varying skills but are all passionate about making a difference to where they live and enjoy the challenges and rewards their work offers. The group meets formally every two months and members must attend these meetings and some basic training but can give as much additional time as they can manage. You don't need previous experience to join the group as there is lots of support and training available.

If you would like to know more contact **Helen Chambers on 0800 83 84 81 or grb@gallionsha.co.uk**

Working to improve lives in Thamesmead

Working with Men, a charity that supports the development of men and boys has recently carried out a study on the experiences of over 130 adults and young men that live, go to school or work in Thamesmead.

The study showed that the sample group had personal safety worries, feared gangs and crime and had experienced incidents of racism. The organisation is now delivering new and exciting projects at Hawksmoor and West Thamesmead youth centres to help young men deal with issues of identity, conflict resolution and self esteem in fun and creative ways. **To find out more about the projects or to receive a copy of the full report contact Leslie Mitchel on 0208 312 4022 or email l.mitchel@workingwithmen.org.**

Supporting the community

Local people enjoy a great day out in support of the hospice

We have just announced our Charity of the Year, Greenwich and Bexley Cottage Hospice. This community charity offers a fantastic service to our residents as well as other local people. Since the hospice opened in 1994 the dedicated staff have offered care and support to thousands of people free of charge. The hospice provides a variety of key services including, in-patient care, day care, community outreach, counselling and adult clinics.

The hospice allows patients with life limiting illnesses to live each day to the full and cultivates an atmosphere of support and encouragement. The hospice is only able to provide the service because of donations from local people and organisations.

By running staff events, fundraising and supporting the hospice's activities Gallions Housing Association will help the hospice continue to offer an invaluable service to all those that need it.

Find out more about the hospice and the work they do by visiting www.cottagehospice.org.uk

Changes to our direct housing registration lists

We have recently changed the way people can apply for housing with us in line with the Bexley and Greenwich allocation services. Gallions already has nominations agreements with the London Boroughs of Bexley and Greenwich, so we no longer offer direct registration lists for housing.

We have recently written to inform all applicants who had registered on the direct registration lists of their closure, and all applicants on these lists have been advised that they will need to register for housing with their Local Authority, if they haven't already done so. We will be happy to help those affected to complete the council's application form just contact us on 0800 83 84 81.

Single people or couples aged 40 years or over who would like to register for a 1 bedroom flat above the ground floor can still apply. These applicants are also advised to register with their local authorities, as this list may be reviewed at a later date.

At Gallions we celebrate the diversity of our neighbourhoods. We offer a comprehensive translation service to make communicating with us easy. If you would like this issue of Thamesview magazine translated into your own language please contact us. You can call 0800 83 84 81, email translations@gallionsha.co.uk or visit our office at Harrow Manorway, Thamesmead, London, SE2 9XH. We can translate documents into any language and have audio, large print and Braille options available.

Maran Way makeover

Over the last nine months we have been working closely with the Parkview residents group to make some significant improvements to the environment in the area, particularly in Maran Way. We have:

- Altered the cleaning rota and increased staff resources to help maintain a higher level of tidiness and cleanliness at all times
- Jet washed all the stairs to Maran Way
- Installed additional bins and carried out a campaign to promote the correct disposal of rubbish
- Increased Neighbourhood Warden patrols in the area

Transfer list update

Our Allocations and Lettings team will now conduct multi viewings on transfer offers. Up to three transfer applicants will be invited to view a property in order of priority.

We work out the priority status of applications when we match a property to the transfer list; all candidates will be informed in writing which priority they are, but this can alter as changes are made to the transfer list.

Greenwich council have recently improved their choice based lettings service so you will be able to apply for advertised properties every week. Properties will be advertised on greenwich.gov.uk/homes every week.

The Greenwich Time newspaper will continue to show property adverts and on the weeks the paper is not published Greenwich council will distribute property details to accessible pick-up points across the borough, including at our Harrow Manorway office.

On these weeks you can collect the new information between Wednesday noon and Monday. You can also apply for properties via the **24 hour hotline on 0208 921 4340. For more information visit the Greenwich council website or call 0208 921 2941.**

We are currently working with our contractors to replace metal fittings with durable plastic ones as applicable across our neighbourhoods because of recent incidents of metal theft. Please be vigilant and report any suspicious behaviour to the Police or call us in confidence on 0800 83 84 81.

We will be working with the London Port Authority towards the end of May to offer interactive water safety sessions in the town centre. The event is aimed at young people and will help inform them about how to enjoy Thamesmead's fantastic network of lakes and canals safely. Look out for more details in your area soon.

Work has begun on a major programme of work to improve the road surface, footways and structures in the Crossway area. When work has finished this section of road will be adopted as a public highway.

The project includes work to three bridges shown on the map. This will require sections of Crossway to be closed for periods of between 10 and 12 weeks. The first closure is already underway and affects an area between Pointer Close and Eastgate Close. Access to all side roads will remain available at all times either side of the closed section.

Bus routes will continue to serve both open legs of Crossway but will not be able to run in the existing circular route until work is complete. **Information on bus diversions can be obtained from London Buses on 0845 300 7000.**

Safety first

In response to recent media coverage about scalding risks from domestic hot water systems we would like to reassure our residents that we have taken all relevant steps to prevent a similar accident happening in your home.

Central heating systems in our properties have two thermostats fitted to prevent overheating. As part of our annual gas safety check we will carry out a visual inspection of the tank as well.

It is crucial for your safety that you let our contractor into your property to complete the service. Residents should contact us and seek advice from a professional plumber if they hear excessive noise from the hot water cylinder or notice extremely hot water being dispensed from the hot tap.

If you have any concerns please call our customer contact team on 0800 83 84 81.
