Welcome to the Thamesview Summer Special

I don't know about you but I'm really looking forward to a break this summer! If you are staying at home this holiday make sure you take advantage of the great *free events and activities* taking place locally over the next couple of months.

In this issue we have all the information you need to know about the *Trust Thamesmead Community Festival* on Saturday 12th July at Birchmere Park. It's set to be a fantastic day for all the family and Gallions will be bringing some tropical flavour with a *Hawaiian themed beach*. This year the beach will be better then ever, with a surf simulator, bungee run, bouncy castle and even more surprises!

Our events calendar is packed full of fun activities for you to enjoy on sunny (and soggy) days. It's always difficult to entertain the kids when school's out so rip out the calendar and keep it safe. With this great list of *fun activities for all the family* they won't be bored for long.

We have added a new section to Thamesview this month that is *especially for our leaseholders* and contains the very latest information about our service. Welcome to all of you that are reading Thamesview for the first time.

There are some *great prizes*, including a £25 Morrisons voucher, up for grabs in this edition so don't forget to enter our wordsearch and Kidsview competitions.

PS Make sure you come along to our *residents conference* on 13th September, where you can chat to staff, meet new neighbours and find out about future plans for your community. Book your place today at www.gallionsha.co.uk.

The Gallions Hawaiian Luau

We will be bringing a big slice of paradise to the Trust Thamesmead Community Festival this year with an amazing Hawaiian beach party. Our unmissable band will really get the luau started and you will be able to show off your moves with our hula games. The Gallions Residents' Board will be there with relaxing donkey rides and an exhilarating bungee run for more adventurous types! For our younger visitors our bouncy castle will have them jumping for joy and Max the Lion will be in town to entertain the crowds. Our beach really is the place to be – see you there!

A terrific transformation at Tump 53

Tump 53, off Bentham Road, was once used as a Royal Arsenal munitions store but is has recently been fully refurbished to offer a great resource for local schools and community groups.

Now called Gallions Nature Centre, the facility has a large visitor centre with classroom and meeting space and lots of outdoor areas to explore and meet some wildlife. Rare birds have set up home at the centre and we have butterflies, bats, foxes and fish onsite too.

Local schools, groups or clubs can hire the centre and enjoy a peaceful, natural environment right on their door step. We will be officially opening the centre in the Autumn but you can **find out more today by calling Kelly Sullivan on 0208 320 3458 or visiting our website at www.gallionsha.co.uk.**

PRIDE IN Thamesmead

Talking Tavy Bridge

The Tavy Bridge Regeneration Residents Action Group (TBRRAG) is an independent group set up by residents living in the Tavy Bridge area who want to get the best out of the regeneration project for all residents.

The group is currently looking for 4 new members to share their views and take part in activities especially for Tavy Bridge people.

Members get together once a month to discuss plans and their opinions along with the construction companies building the new homes and facilities at Tavy Bridge.

The group is a really mixed bunch with lots of different interests, backgrounds and roles in the team.

If you would like to get involved with this really friendly group contact Linda Harris, Resident Liaison Officer at Tavy Bridge on 020 8320 3557.

The Moorings Consultation

During May we held six consultation sessions to show residents the plans we are currently working on for the possible regeneration of the Moorings area.

We received lots of feedback about the concerns and aspirations of residents living in the area. We will be using this information to help us make a decision about whether the area will be classified as a regeneration area. We will inform residents as soon as that decision has been made.

We have put together a document detailing the answers to the most frequently asked questions about the future of the Moorings. If you would like a copy, please contact the **Neighbourhood Projects Team on 0800 838481 or email neighbourhoodprojects@gallionsha.co.uk.**

Gallions continues to offer regular maintenance and repair work in the Moorings area so please report any issues you have. We are carrying out day to day repairs, roof replacement works and maintenance of communal and external areas as usual but will not perform any Decent Homes Works (new kitchens, bathrooms and windows).

Have you seen it yet?

Back in April eleven of our young residents got creative (and a little messy!) on the Abbey Road footbridge. The footbridge was once a target for anti-social behaviour but the new wildlife mural means the area is a great place to be again.

With support from us, the London Borough of Bexley, Positive Arts and the Green Chain Project the children got to work transforming the footbridge into a colourful masterpiece. If you wander past you might spot a deep sea diver or tropical birds in the very heart of Thamesmead!

If you would like to find out more about how you can get involved with our community events and activities contact our Neighbourhood Projects Team on 0800 83 84 81.

Volunteering never tasted so good

Trust Thamesmead and Greenwich Community Food Cooperative are offering local people the chance to get on the job training for customer service, money handling and retail work.

All you need to do is commit at least one hour of your time on a Friday to sell tasty fruit and vegetables to other local people. Based outside the Arnott Community Centre off Bentham Road, the stall sells all sorts of fresh produce in individual portions, without unnecessary packaging and at fantastic prices.

The stall is open between 10am and 2.30pm but you don't need to work for the whole time - you can just help out for an hour at a time. As well as getting some great new skills you will be able to meet new people and help out in your community.

If you would like to volunteer contact Roz Williams at Trust Thamesmead on 0208 320 4470 or visit www.trust-thamesmead.co.uk.

Can you take on a leading role?

The Gallions Residents' Board is currently looking for nominations from tenants who would like to be considered to represent residents in the management of Gallions Housing Association and bring a tenant's perspective to decision making.

The successful candidate will:

- Provide a direct link between residents and Gallions Housing Association
- Be involved in key strategic decisions on how the organisation is run
- Contribute to the future of Gallions Housing Association

We can offer you full training and lots of support so apply today.

Contact Helen Chambers, our GRB Officer, on 0800 83 84 81 or email hchambers@gallionsha.co.uk to find out a bit more.

The deadline for completed applications is 31st July 2008.

Please note that Gallions Housing Association is currently reviewing its governance arrangements. Any potential changes to the governance arrangements will be adopted in discussion with the Gallions Resident's Board.

2. Felixstowe Road, Abbey Wood.

You can own a 40% share in this 2 bedroom apartment in a fantastic location. It has a door entry system, fitted kitchen, UPVC double glazing and a gas heating system.

3. Parkview, High Street, Orpington

You can buy a 55% share in this brilliant 2 bedroom ground floor apartment with loads of extras. If you move in at Parkview you will have an allocated parking space, video door entry system, ensuite shower room and WC, laminate and carpet flooring, UPVC double glazing and a gas heating system.

SPOTLIGHT ON

A pool club especially for young people

Earlier this year we asked young people what sort of activities they wanted to take part in locally. A really popular suggestion was a pool club so with support from Trust Thamesmead, Gallions set the club up at Limestone Community Hall.

Boys and girls aged between 11 - 18 years can come along to Limestone Community Hall in Limestone Walk, off Yarton Way on Thursdays between 4pm and 6pm for a fun evening of pool or table tennis.

It's a great place to meet new friends and scrub up on your pool skills so get your cue ready now!

If you'd like to find out more about the club call our Neighbourhood Wardens on **0800 83 84 81.**

Local clubs and groups for all the family

Every issue we will be focusing on one group in the area. If you'd like us to shine the spotlight on what you do then please get in touch (details on the welcome page). Contact us too if you want to list your group or provide us with updates.

On the penalty spot

Our Neighbourhood Wardens now have even more power to make your community a better place to be. The London Borough of Greenwich has provided the team with the authority to give out Fixed Penalty Notices on their behalf.

Our wardens can fine anyone who dumps rubbish in communal areas of our properties in the Greenwich side of Thamesmead.

The Wardens will soon be able to fine for dog fouling too. **If you are concerned about anti-social behaviour in your neighbourhood contact us on 0800 83 84 81.**

Two great results

1. Gallions has served an eviction notice and helped neighbours of a disruptive resident to gain an injunction and exclusion order against him.

The tenant had been involved with a number of incidents of anti-social behaviour, which made life difficult for residents around him.

Under the exclusion order the individual cannot enter the property or the road relating to the anti-social behaviour and is not permitted to contact witnesses.

2. Two people have recently been prosecuted for vandalism because of the swift action and expertise of our Neighbourhood Wardens.

When the incident happened at Manning Court in March our Wardens used CCTV footage to identify the individuals responsible and then referred the case to the Police.

The vandals have now been ordered to pay Gallions the cost of repairing the damage.

Rent counts

By paying your rent in full and on time we can continue to offer great services and make improvements to your home and neighbourhood.

We take rent arrears seriously so we have recently reviewed our rent procedures and are making changes to the way be deal with arrears; including the re-structure and re-naming of the Credit Control Team to the Revenue Management Team.

In the last year we have evicted 42 tenants and issues 161 possession claims because rent payments were not made.

If you are having difficulty paying your rent please call us on 0800 83 84 81 for advice and information.

New Latest news for leaseholders

This new section in Thamesview is especially for our leaseholders and it includes lots of specialist information about our leasehold service.

We have an expert Leasehold Team in place to help our leaseholders, whether you have a repair, want to buy more shares in your home or would like to sell your property.

Who to contact

The Leasehold Team is made up of five staff who are on hand to offer advice and assistance to our leaseholders:

- Janet Norman is our Leasehold Manager and oversees all the services we offer to leaseholders
- Ian da Nobrega-Guilherme is responsible for setting and collecting service charges and collecting rent from our shared owners
- Jan Boyle co-ordinates the sale of part buy, part rent properties that our current leaseholders want to sell
- Larry Lidbury looks after our leaseholders in the Bexley area and homeowners at The Pinnacles, Gallions Lock and Schoolhouse Yard in Woolwich
- Sue Reed is the contact for leaseholders in Greenwich, including our homes at Thames Walk, Paradise Path, Waterside Close and Felixstowe Road. She is also managing our new developments in Orpington, Sidcup and Upper Belvedere

You can contact the team on 0800 83 84 81 or email them at leaseholdmanagement@gallionsha.co.uk. The team is also available to meet with you on Tuesdays and Thursdays, just phone or visit our reception for an appointment.

Forum feedback

We hold regular leaseholder forums to stay in touch with our leaseholders and make sure that any issues are resolved.

We recently met with leaseholders in the Broadwaters area who raised concerns about rubbish removal responsibilities. Areas of red tarmac and paved areas marked with white and yellow are Gallions' responsibility. Paved areas awaiting work are marked in red if they are the responsibility of the London Borough of Greenwich.

Our leaseholders also told us about litter in the lakes in the area. Gallions Housing Association owns some of the lakes and canals in the area, although Broadwater Dock and other areas are owned and maintained by Tilfen Land. We work closely with Thames21, an environmental charity to clear debris and rubbish from our waterways and spend an average of 3 days per week clearing and maintaining lakes and canals.

If you have a suggestion or comment to share then go along to your next leaseholder forum, just ask the team for details.

Do you have a tenant in your property?

If you sub-let your property you must let our Leasehold Team know. You will need to provide us with a UK correspondence address and telephone number to be used in an emergency.

If we cannot get in touch with you we are unable to resolve problems like leaks and other repairs quickly.

Our shared owners are not permitted to sub-let their homes due to the conditions of their lease.

Selling your home

Gallions Housing Association is the freeholder of your property so you must tell us if you want to put your home up for sale. We have to provide information about your lease and service charges to your solicitor for the sale to go through.

We can also provide a list of approved solicitors and independent financial advisers to help you.

Gallions gets GREENER

Gallions has joined ENCAMs, an environmental organisation which enables non-government organisations and charities to share information and ideas about local environmental quality.

ENCAMs has three main objectives that help organisations like Gallions monitor and improve the local environment:

1. Providing measurable statements about the local environment that impact on local people
2. Identifying the sources and causes of any problems identified
3. Providing ideas for action planning to address issues identified

We have recently worked with ENCAMS to assess our neighbourhoods and have received some positive feedback, with some areas identified for improvement. We are currently developing action plans to address the key areas of litter, staining (oil and paint spills), landscape maintenance and the emptying and cleanliness of litter bins.

If you would like to get involved in developing environmental action plans please contact Helen Chambers on 0800 83 84 81 or email hchambers@gallionsha.co.uk.

New homes in Slade Green

Seventeen families have just moved into Gallions' first all tenanted building outside the Thamesmead area.

The brand new block with 2 and 3 bedroom flats, a communal garden and parking were completed in May 2008 and soon after that were all occupied by residents nominated by the London Borough of Bexley.

All residents were invited to pre-tenancy meetings to go through the services we offer.

Notice Board

Rewarding involvement

Deborah Frimpong, the newest Gallions Housing Association Resident Board Member and Vice Chair of Gallions Residents' Board has had an exciting few months. Since being elected to the Gallions Housing Association Board she has been involved with making some big decisions and giving a resident's view about what we do. Deborah says,

'I really enjoy being involved with Gallions and having the chance to make the community a better place. It is really rewarding and if I can manage to join in as a mum of eight anyone can!'

If you would like to get involved call Helen Chambers, GRB Officer on 0800 83 84 81.

Deborah Frimpong

Your invitation

We carry out regular neighbourhood walkabouts so that our staff can get together with residents and talk about any issues or problems in the area. If we understand what is happening where you live we can identify concerns and resolve them more quickly. The dates, times and meeting places of the next walkabouts are published on our website at www.gallionsha.co.uk or you can call us on 0800 83 84 81 to find out more.

Thamesmead in Bloom – the judging begins

Thank you and good luck to everyone who entered Thamesmead in Bloom, the fantastic annual gardening competition especially for Thamesmead residents. We will start the judging process this month, with the final judging decisions being made in July. If you are selected as a winner we will get in contact with you and invite you to a fantastic celebratory ceremony in September. We will also publish photos of the winning gardens on our website at www.gallionsha.co.uk.

A warm welcome

We are really pleased to have five new members on the Gallions Residents' Board. Jennifer Beecham from Parkview, Maurice Bradley and Adrian Gogerly from Broadwaters, Ray Woodage from Manorway and Alexander Felix from the Moorings joined the team recently. Since then they have been busy settling into their new roles and finding out more about how they can work on behalf of all our residents. The GRB will be joining in with all the fun at the Trust Thamesmead Community Festival on 12th July so pop along and say hello.

Thamesmead is bowled over

Last month a fierce, but friendly, bowls tournament was played at the fantastic bowls green at the Pop in Parlour at Evenlode House. Staff from Gallions, Trust Thamesmead and Tilfen Land played alongside the Age Concern Pop in Parlour regulars in an exciting community tournament. If you are over 55 and would like to get bowling contact Johnny on 020 8310 7437. Whether you are a novice or a keen player you will enjoy some great company and lots of laughs.
