HAVE YOUR SAY

We really value feedback from our residents so this May we will be sending out our latest STATUS survey, which helps us measure tenant satisfaction with our services. If you receive a survey please fill it in!

You can complete it in paper form or online, just follow the instructions in the pack. Don't forget you can use the computer at our office if you haven't got internet access at home. Your responses will be confidential and will help us identify potential service improvements as well as compare what we do with other housing associations.

We will provide feedback on the survey in forthcoming editions of Thamesview and on our website and will let you know what changes we make based on resident comments.

DID YOU KNOW...

Every year at Wimbledon 28,000 strawberries and 7,000 litres of cream are eaten on site. Not to mention the 150,000 glasses of Pimm's that the visitors enjoy too!

The summer of 2003 was the hottest on record in the UK, with Faversham in Kent reaching a whopping 38.5 °C (101.3 °F) in August of that year. Let's hope it's a little cooler this summer!

Although the sun is hottest at midday, the warmest temperatures occur during mid-afternoon because the Earth continues to retain heat from the sun.

Please return your completed wordsearch and details to: Anita Dagger, Gallions Housing Association, Freepost SE6691, London, SE2 9BR or drop it into our reception by 28 May 2010. The winner will be selected at random.

SUPPORT FOR YOU

If you have a disability please tell us about it so we can help.

We can fund small adaptations in your home or put you in contact with a benefits advisor or occupational therapist. We can supply your letters and information in different languages or in Braille, large print or audio format.

Later this month we will be introducing Browsealoud on our website so if you have visual problems or dyslexia you will be able to use our website more easily. We have disabled parking and access at our office (one disabled bay at the front of the building and three more in the main car park). We have hearing loops and interpreters available on request too. Call 0800 83 84 81, pop into see us at Harrow Manor Way or email enquiries@gallionsha.co.uk to let us know if you have a disability.

HOW TO USE YOUR NEW DOORS AND WINDOWS

We regularly make improvements to the homes in our neighbourhoods. If we have fitted new doors or windows to your home, follow these instructions when locking your door:

1. Lift up the internal door handle to activate the locking mechanism.
2. Then lock the door by turning the 'thumb turn' or key clockwise until it won't turn any more.
3. For added safety, secure any chains or dead bolts.
4. Make sure you lock your door when you leave your home.

You can lock your windows when fully shut or with a small gap for ventilation.

To allow ventilation all you need to do is push your window out slightly and lock it in the outer locking area of the window frame.

If you need help using your new doors and windows just call our contractor Axis on 0203 260 3883.

ANTI-SOCIAL BEHAVIOUR UPDATE

We recently set up a new Enforcement Team to improve the way we deal with anti-social behaviour and tenancy agreement breaches, in response to resident feedback. In the new team there will be an Enforcement Team Manager, a Team Leader, two Anti-Social Behaviour Officers and four Neighbourhood Wardens.

The team will:

- Pro-actively investigate all reports of anti-social behaviour, breaches of tenancy and subletting
- Use a range of methods to resolve issues – including mediation, Acceptable Behaviour Agreements, working with the police and local councils and legal action where necessary
- Carry out preventative work to reduce incidents of noise nuisance and other anti-social activities
- Complete surveillance operations to gather evidence on anti-social behaviour cases
- Install noise monitoring equipment where residents have reported unacceptable levels of noise
- Give evidence in court, on behalf of residents, when legal action is required to resolve cases
- Actively support residents who report incidents of anti-social behaviour by undertaking reassurance visits, keeping them up-to-date, liaising with partner agencies and measuring levels of resident satisfaction
- Work with residents to reduce the amount of inappropriately placed rubbish including educational and enforcement activities.

To report anti-social behaviour speak to a member of staff, call us on 0800 83 84 81, email asb@gallionsha.co.uk or visit our website at www.gallionsha.co.uk.

RE-STRUCTURE FOR RESIDENTS GROUP

We have recently made some changes to the way residents work with us. Over the last nine months we have reviewed the role of the Gallions Residents Board (GRB) in line with new guidelines from the Tenant Services Authority, the regulator for social housing. The review was carried out with residents and the outcome was that the GRB decided to disband and re-structure to create a smaller group who could focus on service monitoring and consultation.

The new group is called Gallions Residents Group (Thamesmead). The selection process for members of the new group has been completed with the skills criteria being agreed by residents.

If you would like to find out more about getting involved or want to observe the next Gallions Residents Group meeting please contact Helen Chambers on 0800 83 84 81 or email hchambers@gallionsha.co.uk.

GAS SAFETY IN NUMBERS

- 1 boiler that is not serviced puts your life and the lives of your neighbours at risk
- 20 people in the UK die each year from carbon monoxide poisoning
- 4817 is the number of Gallions properties that have a gas supply which we must check every year

Carbon monoxide is a colourless, odourless, tasteless, poisonous gas that can be produced by faulty gas boilers, flues and chimneys. Carbon monoxide poisoning can kill quickly and without warning. Gallions carries out annual gas safety visits to check gas appliances in our properties and to make sure our tenants are safe. If you do not allow us access to carry out these checks you could risk eviction.

If you haven't had a gas safety check in a year please contact us on 0800 83 84 81 and we will arrange a visit at a time that is convenient for you. Make sure you remind your neighbours too and help us keep your whole neighbourhood safe. To find out more about carbon monoxide call the Health and Safety Executive on 0800 300 363 or visit www.hse.gov.uk.

Gallions does not carry out gas safety checks for leaseholders but we have an agreement with our gas servicing contractor to provide servicing at a very competitive price. For more details please contact Carol Rayner on 0800 83 84 81.

FOCUS ON TEAM GALLIONS

Team Gallions is the environmental services part of our organisation. They look after our parks and open spaces as well as carry out cleaning in our blocks. We know that it is very important to our residents that the areas they live in are clean, tidy and well maintained so we are working with Keep Britain Tidy to monitor the areas in and around our properties.

We carry out regular environmental quality surveys in our neighbourhoods where we rate areas on a scale of A–D, with D being the worst for cleanliness. Our target is that all areas are rated as a 'B' or above. The pictures here show what to expect in your area. If you notice a Gallions area near you that falls short of this target then please let us know by calling 0800 83 84 81.

In the future we are planning to train residents to carry out surveys for us. If you'd like to be involved call us on the same number.

We also have a residents group called Team Gallions Interest Group that get together regularly to monitor the services provided and make suggestions for improvements. Due to feedback from the group we have recently put in planters at Harold Wilson House, removed trees in West Thamesmead to let more light into properties and introduced block specific recycling. We always welcome new tenants and leaseholders to the group and we can arrange transport for anyone with mobility problems. Contact Steve Pyke on 0800 83 84 81 to find out more.

HOMEOWNER NEWS

At this time of year we work out final service charges and make predictions about future costs for leasehold homes. We have put together this information to explain exactly what we do.

Shared owner rent increase

If you are a shared owner who has lived in your home for more than a year you will have already received notification of your rent increase from 1 April 2010. Increases this year have been limited to 0.5% in line with your lease.

Service charge estimates

We are currently working on the estimated service charges for the year 1 April 2010 to 31 March 2011. Shared owners have already received their estimates and the remaining leaseholders should receive their estimated bill in April. Covenanted freeholders will also be billed for their share of the costs of maintaining amenity areas - parks, lakes and canals.

Reconciliation of accounts

Gallions' financial year ended on 31 March 2010. Once our Finance Team has finalised the accounts and had them audited, the Leasehold Team will start to prepare the reconciliation of your service charge accounts for the year 1 April 2009 to 31 March 2010, which we must provide you with by 30 September 2010.

If the actual costs of maintaining your services are less than your estimated bill, your account will be refunded with the credit. Similarly if the actual costs are more than the estimates, your account will be debited.

Sinking Funds (also known as reserve funds)

Some leases allow for a fund to be created so that money can be set aside to pay for expensive works in the future like replacing lifts or re-decoration. By using these funds it means that the cost for works can be spread out between successive residents. Leaseholders and shared owners living in our newer blocks of flats have sinking funds set up for their individual blocks and will have recently received notification of contributions payable from 1 April 2010.

The amount charged is based on information about the property condition and how long building components last. The amounts are reviewed on a regular basis and we will write to you every year to tell you how much is in your fund.

No sinking fund?

If you are a leaseholder in one of our older properties you probably won't have a sinking fund so you should set money aside for future maintenance works.

Help with bills

Wherever possible we will apply for grant funding to help with the costs of repairs, maintenance or improvements in order to reduce bills for leaseholders.

In most circumstances Gallions will offer a two or three year repayment plan for major works and we can also defer payments until you sell your home. Where this is done a legal charge is registered on the property and interest charged.

If you are a Right to Buy leaseholder (not Preserved Right to Buy or Right to Acquire) you can apply for a loan from us for help with bills during the first 10 years of your lease. If you receive pension credit, you can apply to the Department of Work and Pensions to see if you qualify for help with bills.

If you are having difficulties paying service charges or bills for major works, please contact our Leasehold Team on 0800 83 84 81.

NOMINATIONS TO THE GALLIONS BOARD

Gallions Residents Group and Gallions Housing Association are currently looking for expressions of interest from tenants, leaseholders and charge payers who would like to represent residents in the management of Gallions on the Gallions Housing Association Limited Board (also known as the Strategic Board).

The successful candidate will provide a direct link between residents and the Board and will bring a resident's perspective to strategic decision making. Full training is provided so don't worry if you aren't an expert in housing or an experienced board member. This is a great opportunity to get involved with Gallions and really make a difference in your local community. This is a paid role of £5000 per annum plus reasonable expenses and it is anticipated the role will require a commitment of approximately 12 days per year on a part time basis.

All applications are assessed and a shortlist created. If you are shortlisted you will be evaluated against a competency based selection process and interviewed by a panel that includes Gallions Residents Group members.

The deadline for applications is Friday 2nd July 2010. Please contact Jane Lester on 0800 83 84 81 or email jlester@gallionsha.co.uk to find out more or register your interest.

NOTICEBOARD

Neighbourhood walkabouts

The sun is finally shining (well some of the time!) so why not meet with your Neighbourhood Warden and other local people and take part in a neighbourhood walkabout. All you need to do is turn up and tell us about any issues in your neighbourhood, it could be rubbish dumping or a repair that needs completing, whatever it is we will do our best to resolve it. Visit our website, pop into our office in Harrow Manor Way or call us on 0800 83 84 81 to find out when your next neighbourhood walkabout is taking place.

Your new Thamesview

Thank you to everyone who completed our questionnaire about the new style for Thamesview. We had a really fantastic response!

- 97% of you said the new look was good or excellent
- 100% of you thought the magazine was easy or very easy to understand
- 94% of you liked the smaller size

Congratulations to Miss Young of Bridge House who was the winner of our survey prize draw. If you have any ideas about how to make Thamesview even better call us on 0800 83 84 81 or email thamesview@gallionsha.co.uk.

Never miss the news!

We know that some of our residents don't always receive local newspapers so we thought we'd tell you about the great online editions available. The News Shopper, Greenwich Mercury, Bexley Times and Newham Recorder all have online newspapers that you can either subscribe to or view online. Visit www.newsshopper.co.uk/eedition, www.mercury-today.co.uk, www.bexleytimes.co.uk or www.newhamrecorder.co.uk to find out more.

Our new office

Earlier this month we moved some of our staff to a new head office in Sidcup but this doesn't mean we have changed the way you access our services. Our Thamesmead Residents Office in Harrow Manor Way is still open so you can visit us between 8am and 6pm, Monday to Friday to discuss any queries you have; from rent arrears to a broken tap you can ask us anything! Our freephone number – 0800 83 84 81 – is the same too and you can call us about any queries you have between 8am and 8pm, Monday to Friday, with an emergency service available at all other times.

Sign up to have your say

Housing Associations across the country have recently started to be regulated by the Tenant Services Authority (TSA). The TSA is very keen for residents to have a greater say in what happens in their housing association, and at Gallions we couldn't agree more! Our new Resident Engagement Team will soon be asking residents to come along and have a say in the services offered by Gallions. If you would like to take part, please call the Resident Engagement Team on 0800 83 84 81 to register your interest.

Resident's Conference 2010!

The date for the next Gallions Residents Conference has just been released so make sure you are free on Saturday 2nd October 2010! This year the day will be extra special as we will be celebrating 10 years of being a registered social landlord. We will publish full details nearer the time but you can reserve your place now by emailing residentengagement@gallionsha.co.uk or calling 0800 83 84 81.

We offer a comprehensive translation service to make communicating with us easy. If you would like Thamesview translated into your own language or need an audio, large print or Braille version please contact us.
