OH WHAT A DAY!

Thank you to everyone that attended our resident's conference earlier this month.

It was great to see so many of you there and we really appreciate your feedback, comments and ideas about our services.

It wasn't all work though as we made time to celebrate our tenth anniversary with a fun quiz, circus skills, cake decorating and much more.

You can check out our video of the day at www.youtube.com/gallionsha. We will publish our feedback document in November 2010, which will include a summary of the ideas and suggestions that residents gave on the day. You will be able to download it from our website or pick up a copy from our reception in Harrow Manor Way.

Congratulations to our ten prize winners too! We can't wait until next year.

LOOK OUT FOR LOAN SHARKS

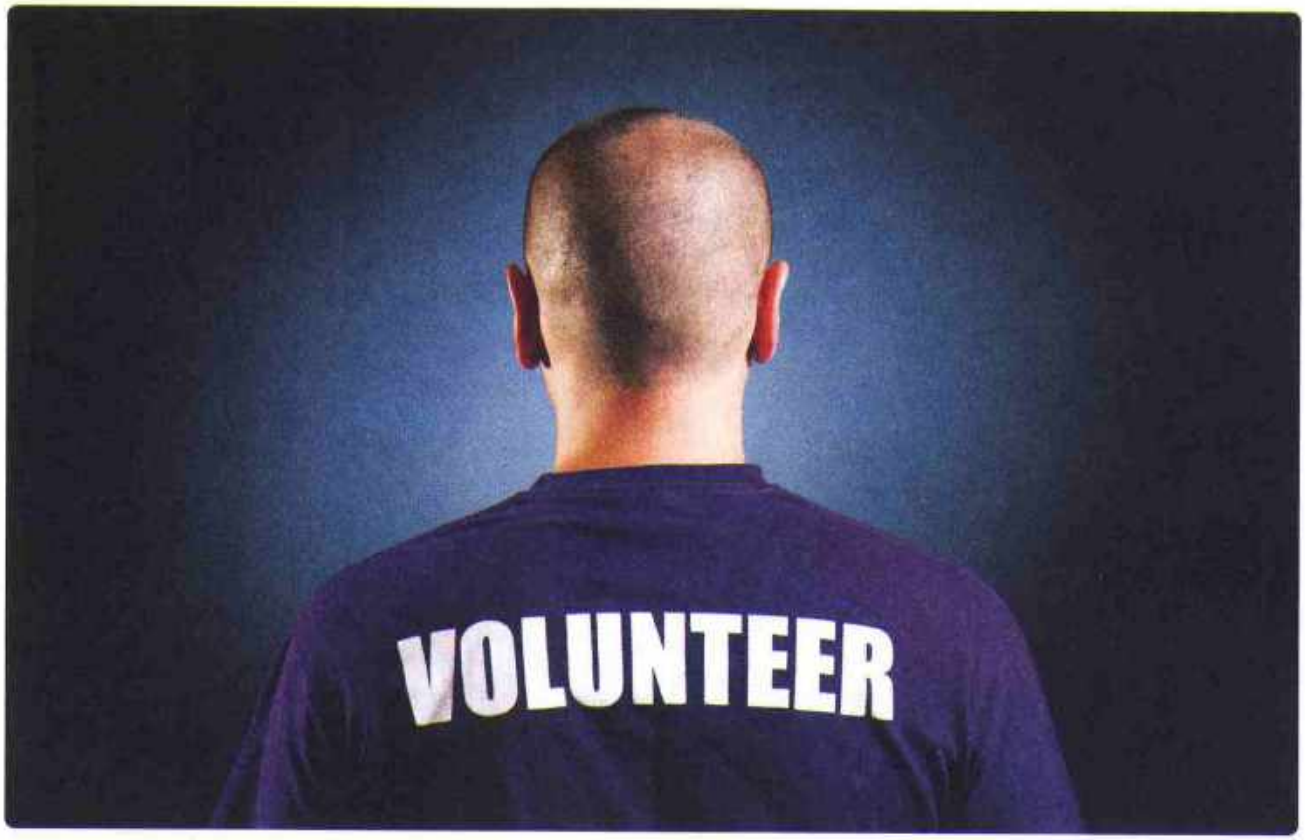

At this time of year many of us are looking forward to Christmas but it's important to budget for all those extras. Don't be tempted to use a loan shark as you could end up paying back much more than if you borrowed from a legal lender. You could even be threatened if you can't pay.

It is illegal for anyone to operate a money-lending business if they don't have a licence from the Office of Fair Trading. You can't be prosecuted for having taken a loan from a loan shark.

For confidential help and advice contact the Illegal Money Lending Team on 0300 555 2222 or visit www.direct.gov.uk/stoploansharks. If you need help with paying your rent and bills or managing debt contact us for a free benefits health check on 0800 83 84 81.

FREE QUALIFICATION IN EVENT VOLUNTEERING

With the Olympics just around the corner why not sign up for this ten week course which will provide you with the know-how to help out in 2012, as well as improve your volunteering and employment prospects.

The course is free those aged 16+ who live in Bexley or Lewisham and are unemployed and not in training. You will gain a nationally recognised qualification as well as real experience by completing a two week work placement.

Contact Twin Employment on 0808 168 2262 or visit www.twinemployment.com to check your eligibility and to sign up.

WIN WITH OUR HOLLYWOOD

VACANCIES FOR GRG

The Gallions Residents Group (GRG) has two casual vacancies for tenants or charge payers to join the group until April 2011.

In this role you will work with other residents to monitor and help shape services at Gallions and have the opportunity to make a real difference to your community. We are currently looking at changing the role and membership of the GRG and would like you to help us with this transition.

This is not a paid role but we will provide expenses and training as required. All applicants will be assessed against the role profile and person specification. After April 2011 casual members may re-apply to join the group for the full three year term.

If you would like to apply for our vacancies contact Helen Chambers on 0800 83 84 81 or email hchambers@gallionsha.co.uk.

SUCCESS WITH SUB-LETS

Since January 2010 Gallions has recovered 28 properties which were being illegally sub-let by the original tenants. These properties have now been re-let to people who were eligible for housing with us.

We take suspected sub-letting very seriously and our Enforcement Team are currently investigating a number of cases which have been referred to us. If you suspect that one of our homes is being sub-let then please let us know. You don't have to provide your contact details, but if you do we will let you know the outcome of our investigations. You can call us on 0800 83 84 81, visit our website at www.gallionsha.co.uk or speak to a member of staff.

FREE BENEFITS ADVICE

Book a free benefits health check and our team will work out which benefits or tax credits you could be eligible for. Plus, they will help you apply for them. We can also offer debt advice and provide information about budgeting, getting a bank account and accessing affordable credit.

We have helped hundreds of people get the benefits they are entitled to. Call us on 0800 83 84 81 to book. You can also check out our new video at www.youtube.com/gallionsha to see what will happen during an appointment and exactly how we can help you.

METAL THIEVES PUT LIVES AT RISK

Metal theft is a real risk in our communities with thieves targeting drain covers, dry riser valves, street signs, bins, CCTV cameras, cabling and even children's play equipment. The illegal removal of these items causes danger in the community and it is costly to replace the items, which takes valuable resources away from other services.

Please be vigilant in the coming months and contact the police immediately on 999 if you notice anyone suspicious working on or removing metal items, especially when it is dark. If you would like to give anonymous information about metal theft call Crimestoppers on 0800 555 111.

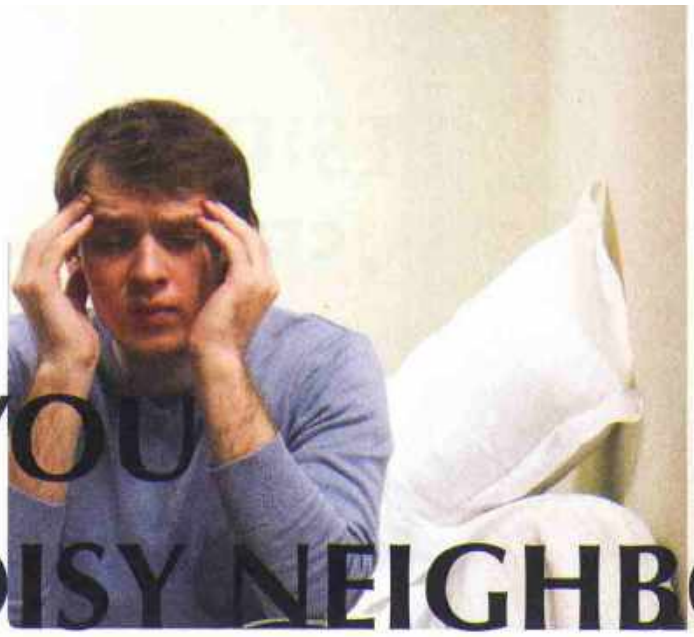

STAY SAFE AND WARM THIS WINTER

Gallions is legally obliged to carry out an annual safety check on all of the fixed gas appliances in your home, including boilers. Our contractor (Interserve) will contact you to make an appointment when a check is due. They will make sure your appliances are working properly and are not a health and safety risk for you, your family and neighbours.

If you do not allow us to complete a gas safety check you could be at risk of eviction. Contact us straightaway on 0800 83 84 81 if you haven't had a check in over a year. If you are a leaseholder you should arrange your own gas safety inspections.

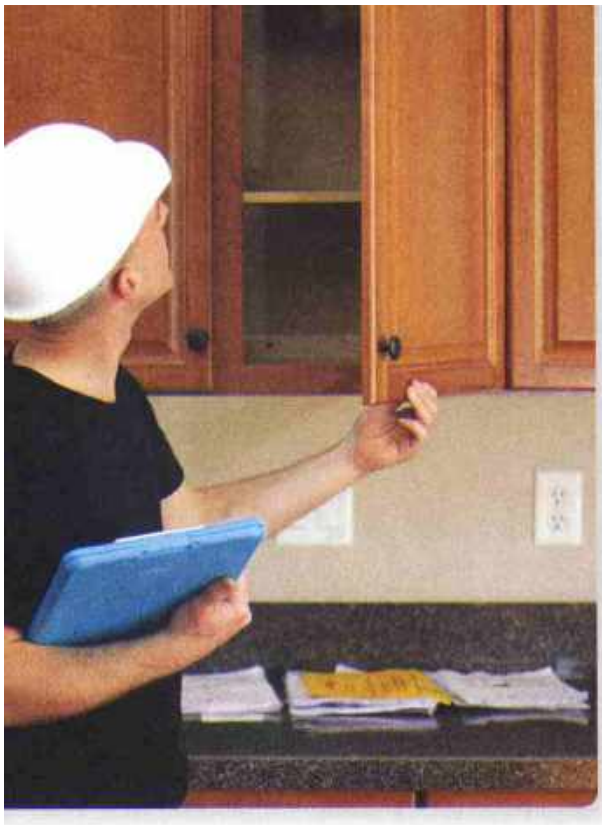

ARE YOU A NOISY NEIGHBOUR?

We receive more reports about noise nuisance than any other type of anti-social behaviour so we have put this guide together to help you deal with noise issues.

- Noise nuisance includes: loud music or TVs, doors banging, arguing and shouting and dogs barking continuously
- The most effective way for you to deal with a noisy neighbour is to talk about the problem calmly with them and try to find a good outcome for both of you
- If you have spoken to your neighbour and the noise continues then please contact us. We can write to your neighbour formally, to let them know that they are in breach of their tenancy and to ask them to reduce the level of noise immediately. If the noise continues we may be able to take legal action to stop the noise, but to do this, we will require evidence of the problem and how it has affected you
- Alternatively, we can install noise monitoring equipment in your home to record the noise level and establish whether it is reasonable. This may be used as evidence for legal action
- We can also refer you to a local, free and confidential mediation service where you will be supported to resolve the disagreement with the help of an independent mediator, who will not take sides
- You can contact your local council who may undertake an assessment of the noise nuisance and could possibly serve an abatement notice on your neighbour to limit the noisy activities

Noise nuisance can be very distressing, especially if it's persistent. Try to keep noise to a minimum and be sure that it stops at an acceptable time. If you are asked to reduce the noise please be reasonable and consider how it is impacting on others. Contact us on 0800 83 84 81 if you are experiencing noise nuisance where you live.

RESIDENT INSPECTORS

Our Resident Inspectors volunteer their time to help us check the standard of empty (void) properties before we let them out to new tenants. The scheme has been running for 18 months and has been a real success so far.

In the next financial year we are planning to make some big changes to our void standard because of feedback from the Resident Inspectors. We will be working with our contractor so that before new tenants move in:

- Front doors and frames are painted
- In most cases the entrance hallways or hall and staircase will be decorated
- Woodwork and metalwork is washed down
- All tiled surfaces are clean and polished
- Soiled pull cords/light switches/socket outlets are changed

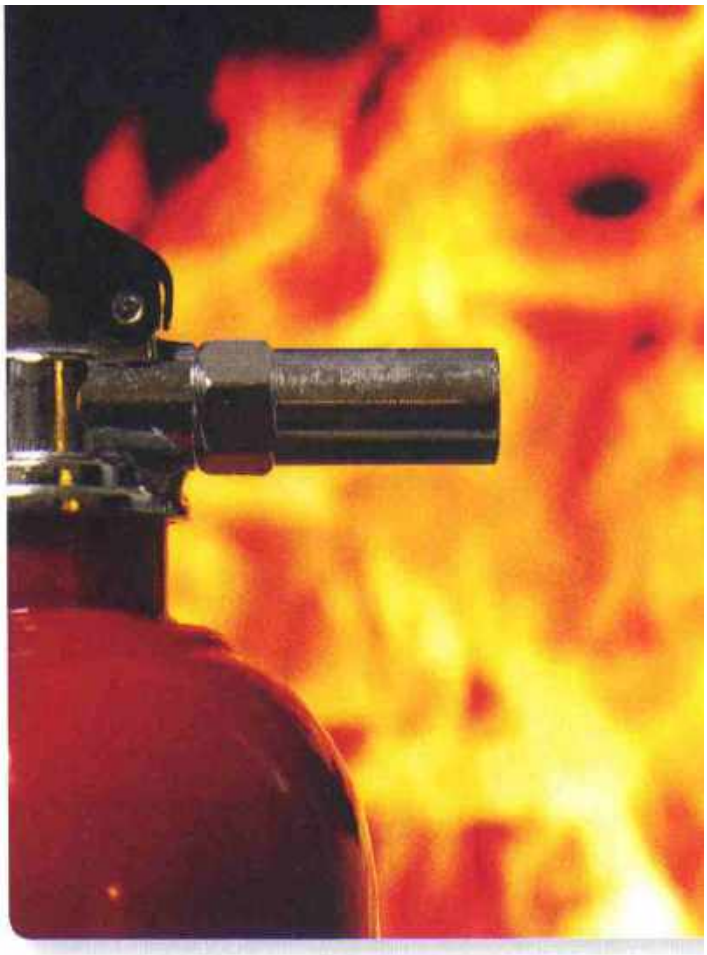

There are further changes planned in future too, with our contractor Axis looking to develop a dedicated cleaning team for empty properties.

We are particularly proud of four of our inspectors at the moment as they graduate with a CIH (Chartered Institute of Housing) Level 2 Certificate in Housing this month. Congratulations and well done to Walter Oriakhi, Fatomi Seweje, Adekunle Folarin and Bridget Osho! The course is run by Just Housing and residents from Gallions, Hyde and Clapham Park Homes have taken part. Gallions and Axis jointly funded the four Gallions places so our Resident Inspectors were able to get the qualification for free.

If you would like to get involved as a Resident Inspector please contact Helen Chambers on 0800 83 84 81.

FIRE SAFETY TIPS

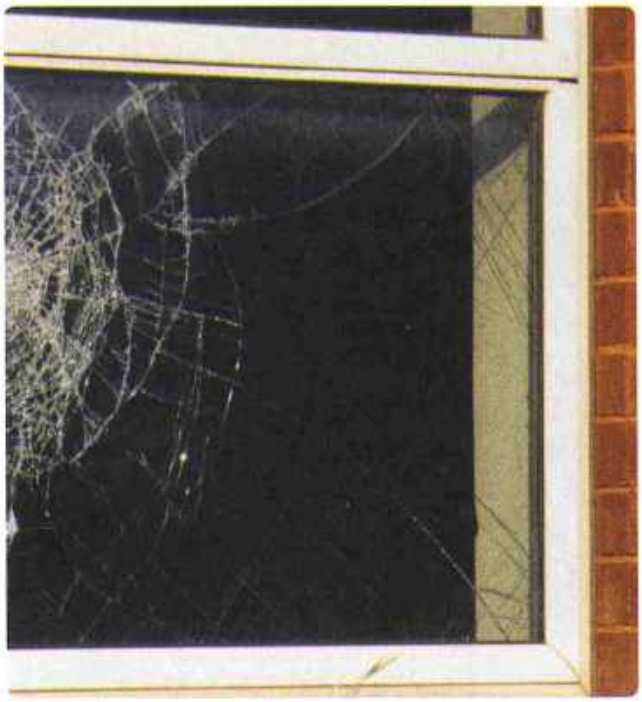

It is extremely important that you protect your home from fire and you are appropriately insured if an incident does happen. Read our top five tips to help protect your home and family:

1. Fit smoke alarms and test them regularly
2. Plan an escape route and keep exits clear so that your family can leave quickly if there is a fire
3. Take extra care in the kitchen and never leave the kitchen unattended when cooking
4. Don't overload plug sockets
5. Make sure you have adequate contents insurance to protect your belongings

For more information about fire safety contact the London Fire Brigade on 0208 555 1200 or visit www.london-fire.gov.uk/SafetyAtHome.asp In an emergency always call 999. Contact us on 0800 83 84 81 if you need help with applying for contents insurance.

RECHARGEABLE REPAIRS

This summer we changed the way we deal with repairs that are caused by a tenant's neglect, misuse or wilful damage. This includes losing keys, damaging a water pipe when drilling through a wall or smashing a window.

With these types of repairs you should arrange for your own contractor to fix them and pay the bill. If the repair is a health and safety risk, like a smashed window, Gallions will carry out the repair but there will be a minimum call out charge of £100.

This change has taken place to ensure that tenants pay when they damage their property and to make sure that we use our resources to carry out our planned home improvement programme and standard repairs. To report a repair call us on 0800 83 84 81 or visit our website.

We consulted with residents about changing this policy. To find out more about the policy contact our Asset Management Team on 0800 83 84 81.

NEW HOMES IN SOUTHMERE VILLAGE

We're really pleased to welcome 23 families from Tavy Bridge and Binsey Walk to the brand new houses in Harrow Manor Way. The families moved in during September as part of phase two of the Southmere Village Regeneration Project.

Mrs Bryan and her family moved from Tavy Bridge. She told us "When I got the letter asking me to view the property I screamed and cried with excitement. Moving into my new home has given my three sons an improved sense of safety and security. My four year old daughter is now much more settled at home too."

Ms Smith moved with her partner and family from Binsey Walk to Harrow Manor Way. She said, "We always thought this type of home and environment would be out of our reach. To be given a new home like this with affordable rent, is a dream come true."

There are also 62 flats and nine maisonettes in Yarton Way, where other families from the Tavy Bridge area will be transferred to from the end of 2010. To find out more about the regeneration project, visit Linda Harris (Resident Liaison Officer) at the One Stop Shop, 6-8 Tavy Bridge every Thursday afternoon from 1.30pm until 4.30pm.

NEIGHBOURHOOD BLOCK INSPECTIONS

Every month we run Neighbourhood Block Inspections. If you want to join in call us on 0800 83 84 81 to find out where and what time to meet. Here are our latest dates; check online at www.gallionsha.co.uk for more information.

HOMEOWNER NEWS

Service charges

All leaseholders and shared owners will have received their reconciliation statements at the end of September. We included a new leaflet with the statement that explained how the service charges are calculated.

If you have any queries regarding your bill or would like another copy of the leaflet, please write to the Homeowner Team or email them at homeownerteam@gallionsha.co.uk.

Anti-social behaviour

Anti-social behaviour is any activity that impacts on other people in a negative way. It includes rubbish dumping, abandoned cars, graffiti, vandalism and other activities. The cost of clearing dumped rubbish and abandoned cars is rising each year and this impacts on your service charge. Please tell us if you see someone dumping rubbish and dispose of your own unwanted items responsibly. Contact us on 0800 83 84 81 to find out about local tips and waste collection services.

Boiler servicing

Many of you will have already turned on your heating but have you had your annual safety check? You should have your system checked to make sure that it is safe, adequately maintained and current to the latest building regulations and standards.

If you are a landlord, you are legally obliged to carry out these checks to ensure that gas appliances, fittings and flues provided for tenants are safe. If you breach the law you could put lives at risk and face tough sentencing in court.

Insurance

Look around your home; could you afford to replace your belongings if you were burgled or there was a fire or a flood? Gallions insures your building but you are responsible for taking out insurance for items inside your home including, your furniture, soft furnishings, television, computer, DVD collection, clothes and more.

Tenants' View

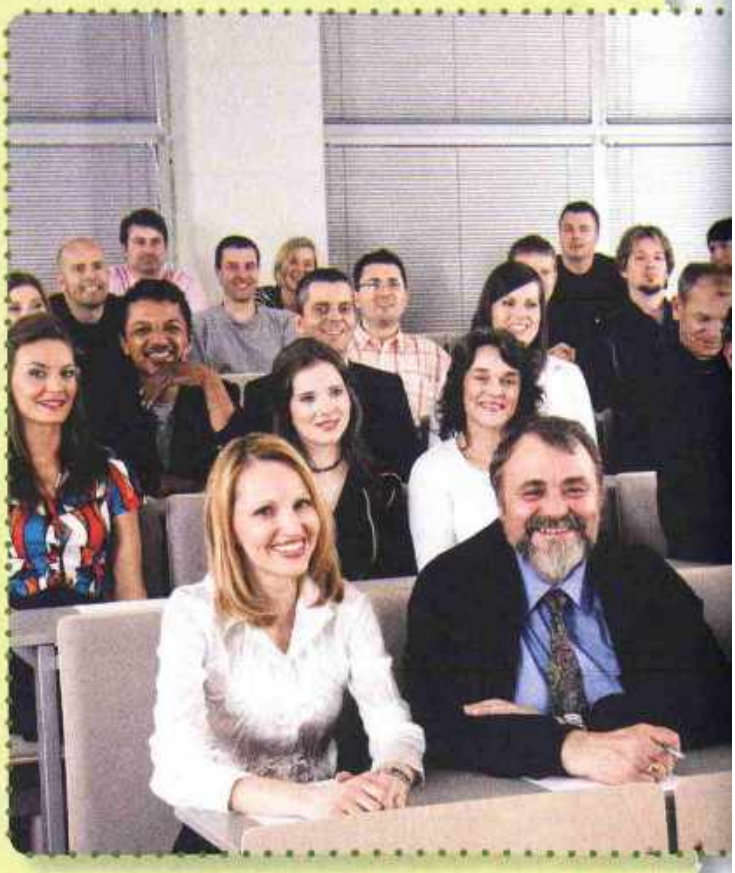

Welcome back to Tenants' View! This issue I would like to encourage all of you to look after your neighbourhood by not dropping litter, disposing of rubbish properly and keeping gardens and balconies tidy. If we work together we can make a difference and transform our communities. Make a pledge to improve the local environment at www.welovegreen.co.uk, the new website from Gallions, and they will send you a free re-usable shopping bag.

The TPAS Conference

This summer we attended the annual Tenant Participation Advisory Service (TPAS) conference. TPAS is a not for profit membership organisation that supports tenants to influence and improve their housing services and helps landlords operate more effectively and efficiently.

At the conference we took part in workshops to learn more about regeneration, resident involvement, equality and diversity and the TSA local offers. We also had the chance to meet residents from other housing associations and compare landlords. It was a great experience and we came back with new ideas about how to work with Gallions to get the very best service for everyone!

Adrian and Marlene

We've been monitoring!

Members of Gallions Residents Group (GRG) regularly work with Gallions to monitor services and suggest improvements. In the last three months we have looked at:

- The new ASB team structure - we will be continuing to check if this has led to service improvements
- Moving in - Gallions has changed its decorating vouchers for new tenancies after feedback from the GRG
- The void (empty property) standard - we presented proposals to improve the standard in line with reports from Resident Inspectors

If you would like to find out more about how the GRG works with Gallions to monitor and enhance its services please contact Helen Chambers on 0800 83 84 81 or email hchambers@gallionsha.co.uk.

Controlled drinking zones

Last year Greenwich Council established a controlled drinking zone in and around Arnott Close, Thamesmead. This was in response to feedback from residents, the police, shop keepers and Gallions who had noticed increased anti-social street drinking in the area.

Now the police, who regularly patrol the area, can stop street drinking and the related anti-social behaviour more quickly and easily. The scheme seems to be working well, so thank you to all the agencies involved for making the area feel safer for everyone.

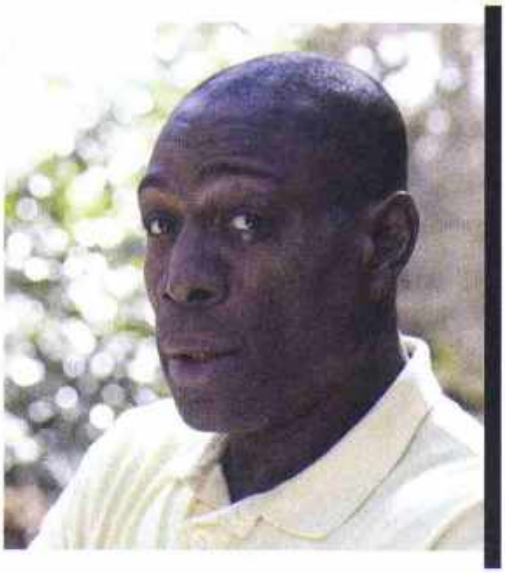

You can help make positive changes where you live by reporting issues to your Safer Neighbourhoods Policing Team. Find out more at www.met.police.uk/saferneighbourhoods or call 0300 123 1212.

Time to Change

"Bruno Vs Stigma. My biggest fight yet."

I'm passionate about making sure people are treated equally and fairly and volunteer for Time to Change, a campaign run by the charities Mind and Rethink to end the stigma surrounding mental health issues.

Mental Health issues affect one in four of us – so it could be you, a friend, someone in your family, or even your favourite singer, sports player or comedian. Frank Bruno, Stephen Fry, Ulrika Jonsson and Patsy Palmer have all faced mental health problems.

But people with mental health problems often face discrimination. We can all do something to help end mental health prejudice, like find out the facts about mental illness, support someone you know who is affected or make a pledge at www.time-to-change.org.uk.

Claudette and the Time to Change team.

Saving for Christmas

It's only October but it's never too early to start saving for Christmas. Credit unions are membership based organisations where you can save and borrow money, often at better rates than banks or building societies. They are regulated by the Financial Services Authority so your money is protected in the same way as it would be at a bank or building society.

If you live or work in the London Borough of Greenwich or the Bexley area of Thamesmead contact 0208 855 4344 or email enquiries@greenwichcreditunion.co.uk to find out how to join. If you are a resident in Tower Hamlets call 0207 729 9218.

Remember that Gallions also offers free Benefits Health Checks if you are struggling to pay your rent, bills or debt repayments. Call them on 0800 83 84 81 to book an appointment.

Marlene

Calling all residents!

We are always looking for different stories to put on these pages so please get in touch if you want us to publish information about what is happening in your area or promote a new service to others. We would really love to hear from you if you are a Gallions resident and live outside of Thamesmead. Email me at adriangogerly@btinternet.com or call 0800 83 84 81 with your ideas.

This is not available to residents that live in houses. Call us on 0800 83 84 81 to book a collection. Alternatively you can ring your local council to collect items or take them to the tip. For more information about rubbish disposal and collection where you live pick up leaflet 11 from our office in Harrow Manor Way or download it from our website.

Thamesmead rumours answered

At our residents conference we asked about the neighbourhood rumours you'd heard. Here are two examples and our answers:

'Gallions received money from London City Airport.'

FALSE. Gallions has not and does not receive money from London City Airport.

'Gallions are housing all ex-Ferrier estate residents.'

FALSE. The London Borough of Greenwich is responsible for re-housing residents from the Ferrier estate. Residents will be re-located to one of 14 neighbourhoods in the borough. More than 1500 households have already been re-located.

If you have heard a rumour about where you live email it to thamesview@gallionsha.co.uk. We'll publish as many as we can and supply the correct answer.

Residents wanted!

We are looking for new members to join our Asset Management Focus Group. As part of the group we will ask your views on our repairs service and planned home improvement programme and use your suggestions to help shape our services around what residents really want to see in their homes. Call Mike Huggett on 0800 83 84 81 to find out more.

We offer a comprehensive translation service to make communicating with us easy. If you would like Thamesview Magazine translated into your own language or need an audio, large print or Braille version please contact us.

New health centre opens

Residents in West Thamesmead have recently seen the doors open at a new NHS health centre at Thames Reach, off Battery Road. The centre is open from 8am-8pm, 365 days a year, offering more convenient appointment times for busy people. For those who don't live in West Thamesmead, or who aren't registered as a patient, the centre offers a walk-in service. If you would like to register as a patient at the centre call 020 8319 5880.

Help for new groups

If you would like to set up a new residents association or group where you live, just let us know. We can support you through the process and give you advice about getting your community together. There are also many established groups you could join like Friends of Thamesmead Parks, Team Gallions Interest Group or Tavy Bridge Regeneration Residents Action Group. Whichever group you choose you will be able to make a real difference. Call our Resident Engagement Team on 0800 83 84 81 for more details.
