FANTASTIC FAMILY FUN DAY

This February we welcomed over 100 residents to our Family Fun and Benefits Day in Thamesmead. At the event parents were able to get free benefits advice whilst their little ones enjoyed all sorts of fun activities, from face painting and balloon modelling to arts and crafts!

Other local service providers including Mind, Trust Thamesmead, Census, Greenwich Council and Bexley Council were also on hand to give support and information.

We are hoping to run another similar event in future. If you want to find out more about the changes to the benefits system or would like a free benefits health check please contact us on 0300 123 1237.

JUMP START YOUR HEALTH KICK!

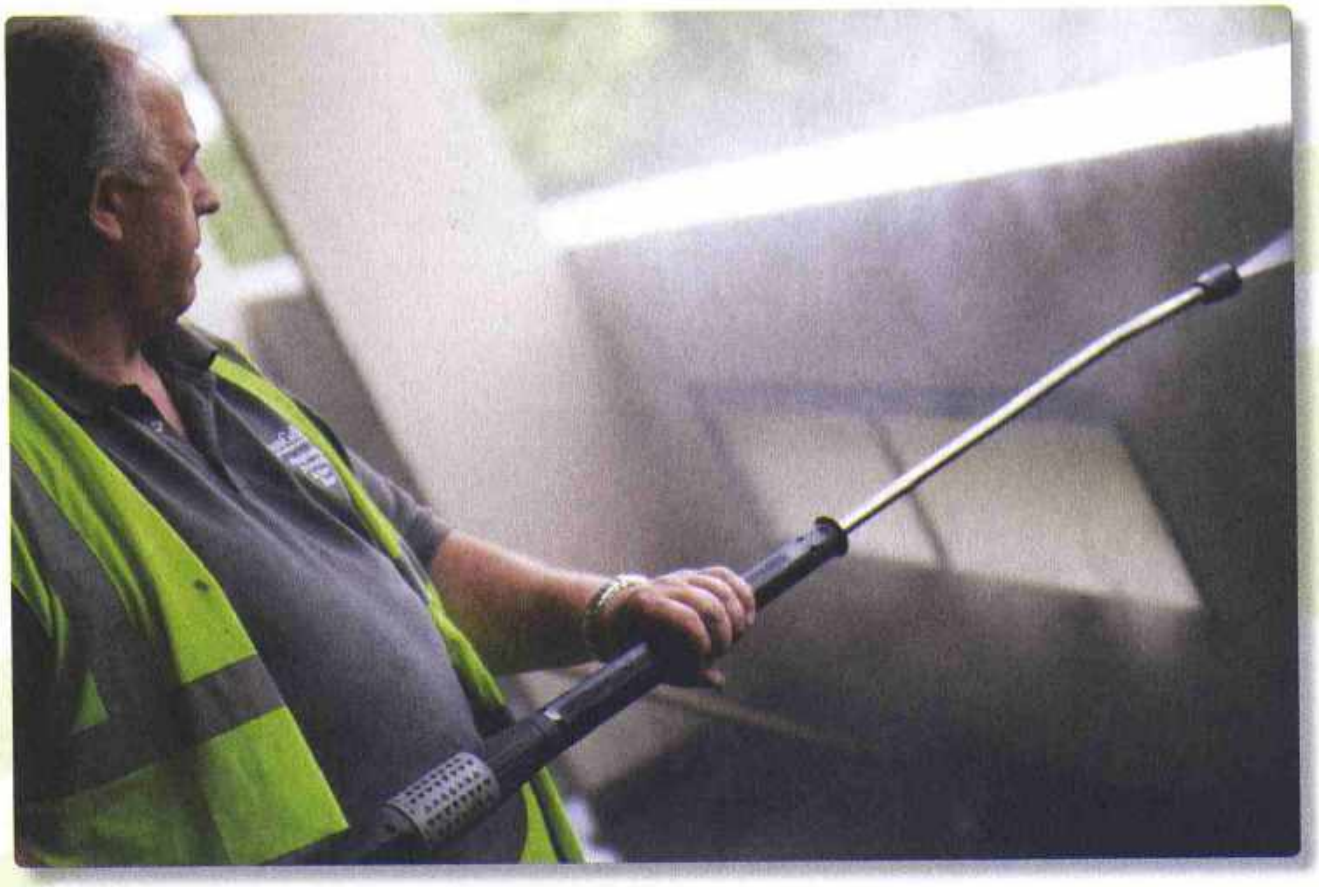

If you are thinking about getting fit for the summer then don't miss the free activities and advice on offer in Thamesmead town centre on Saturday 9th April between 11am and 3pm.

During the day you will be able to enjoy zumba dancing, tai chi and drumming workshops along with face painting, smoothie making bikes, music, prize draws and more. There will also be a mobile health bus offering free health checks.

The event is being hosted by Thamesmead Health and Wellbeing Partnership Forum and supported by Trust Thamesmead to celebrate World Health Day. To find out more contact Trust Thamesmead on 0208 320 4470 or visit www.trust-thamesmead.co.uk.

CONTRIBUTION WEEK IS COMING...

Look out for extra Gallions staff working on projects around Thamesmead from Monday 9th to Friday 13th May 2011 as part of our staff Contribution Week. Throughout the week staff who normally work in our office will be out and about helping our cleansing and maintenance teams to do extra painting, cleaning and graffiti removal.

Contribution Week gives staff the chance to help improve the neighbourhoods for residents and also raise money for Greenwich and Bexley Community Hospice.

We will be funding these extra clean ups using money raised from charging film crews a fee to use Thamesmead as a location for filming. If you have a great idea or know of a place where simple improvements could make a big difference to communal or public areas please call Emma O'Connor on 0300 123 1237 or visit our office at Titmuss Avenue. We will try our best to make your suggestions happen!

Ray Woodage
Acting Resident Editor

So here we are again, my second edition as Acting Resident Editor. I enjoyed reading the last issue of Thamesview and I received a good level of feedback from other residents too.

It's great to hear what you think and to meet people who are genuinely interested about what happens in their community. If you are passionate about where you live then why not get involved with a local organisation? I volunteer with both Gallions and Trust Thamesmead and have developed many new skills and met great friends during the last few years.

If you would like more information about getting involved with Gallions contact Helen Chambers on 0300 123 1237.

Support group in Thamesmead

Bridging the Gap South East is a support group for adults with autistic spectrum disorders and their families. They can provide benefits advice, life skills workshops, a 24 hour telephone helpline and more. The group holds a regular evening social club for members, their families and carers.

On the second Monday of every month from 8pm the group meets at Emmanuel Church Hall, Yarnton Way, South Thamesmead, DA18 4DR. If you would like to find out more call 0208 302 2890 or visit www.btgse.co.uk.

Resident Inspectors celebrate success

Four Gallions Resident Inspectors collected their CIH (Chartered Institute of Housing) Level 2 Certificates in Housing last month at a ceremony at Southwark Cathedral. Well done to Walter Oriakhi, Fatomi Seweje, Adekunle Folarin and Bridget Osho! The Resident Inspectors volunteer with Gallions to check the standards in our empty properties before new residents move in as well as monitor the quality of cleaning in communal areas.

The course was run by Just Housing and residents from Gallions, Hyde and Clapham Park Homes took part. Gallions and Axis jointly funded the four Gallions places so the Resident Inspectors were able to get the qualification for free.

If you would like to become a Resident Inspector contact Helen Chambers on 0300 123 1237.

New trees in Thamesmead

Earlier this year the Friends of Thamesmead Parks braved the winter weather to plant 25 new fruit trees in Thamesmead. This is the first stage of a 10 year plan to create a beautiful fruit tree woodland area in our community.

If you would like to get involved with the Friends of Thamesmead Parks group contact Marie Dunster on 0300 123 1237.

New GRG members

In February we started to look for some additional residents to join the Gallions Residents Group (GRG) and held some open days and evenings. We had a good response from other residents and Gallions is currently assessing all the applications and meeting with potential new GRG members.

Members of the GRG are volunteers who work with Gallions to monitor services on behalf of residents. They are invited to sit on various groups within Gallions to give a resident's perspective on activities and decisions.

We hope that the new members will be in place soon and we will introduce them in the next edition of this magazine in July.

Ray

We've been monitoring

In the last few months we have been monitoring how well Gallions is dealing with reports of anti-social behaviour (ASB). We have met with the managers that deal with ASB to discuss the types of reports received and how the problems were dealt with. In the last year Gallions received 797 reports of ASB in total, with almost 300 reports relating to noise nuisance.

We have also been reviewing the planned home improvement works carried out in 2010/11 and looking at the plans for providing new kitchens, bathrooms, roofs and re-wiring in the new financial year.

To find out more about the planned home improvement programme contact the Gallions Asset Management Team on 0300 123 1237.

MINOR REPAIRS AT HOME

Gallions carries out general repairs to your property but you are expected to maintain your home and carry out minor repairs and decorations as necessary. A full list of your responsibilities as a tenant is listed in your tenancy agreement but here is a general guide to make it easier for you to remember. You should:

- Take out contents insurance for your belongings, including carpets, TVs, fridges and more
- Carry out decorations following a leak
- Complete small repairs such as changing toilet seats, plugs and chains to baths and basins, light bulbs, starters and fuses
- Change the locks if you have lost your keys
- Repair items that you or someone in your home has damaged
- Report a gas leak to National Grid Gas Emergencies on 0800 111 999

There are exceptions for our older, disabled and vulnerable residents. Please contact our Asset Management Team on 0300 123 1237 for more information.

IMPROVING HOMES AND NEIGHBOURHOODS

So we can continue to make our neighbourhoods better places to live we are currently planning a number of projects around Thamesmead, which we hope will:

- Improve communal areas
- Reduce anti-social behaviour
- Make access ways more open and inviting
- Improve outside spaces with open landscaping
- Help residents and visitors to find their way around the estate more easily
- Make access to different parts of the neighbourhood better

The ideas for the projects have all come from residents and should address the major concerns that many residents have about communal spaces and access to their homes.

The first project will be within the Moorings area. More details about what the project involves will be available by the end of April and residents living directly in the improvement area will receive a letter from us.

Phase one of our planned maintenance programme will also concentrate in the Moorings area and will be planned alongside some of the neighbourhood improvement projects.

The planned maintenance programme includes the replacement of kitchens, bathrooms, windows and roofs as well as rewiring.

Works in later phases of the planned maintenance programme are currently being put together. We will let you know about these in Thamesview later this year. More information about the neighbourhood improvements and planned maintenance programme will be available on our website and in our reception later this month.

If you have any ideas about ways to improve your neighbourhood or would like more information about our planned maintenance programme contact us on 0300 123 1237.

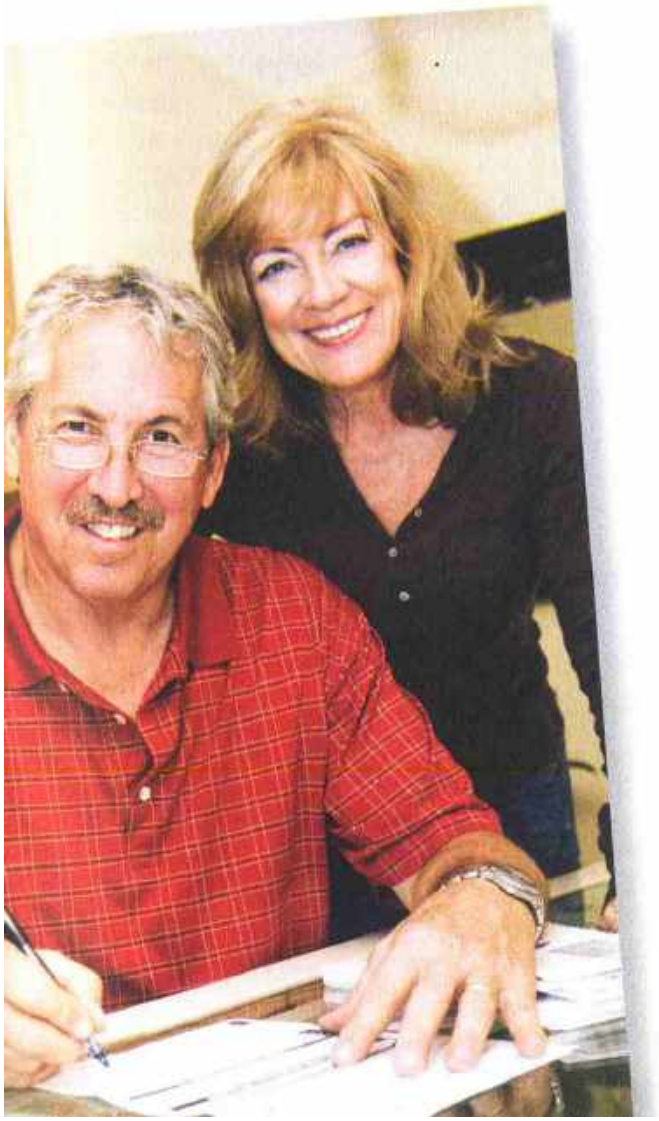

THE RIGHT REPORT

Every year we publish an Annual Report to tell you how well we are doing as a landlord and to share other key information about our services. We want to make sure that the Annual Report contains the sort of things you want to know about and that it is easy to understand so we are looking for residents to help us put the next edition together.

If you would like to get involved with creating the Annual Report 2011 please contact Anita Dagger on 0300 123 1237.

There will be approximately two meetings during the summer months for you to attend and we will offer a £5 shopping voucher for each one you come along to.

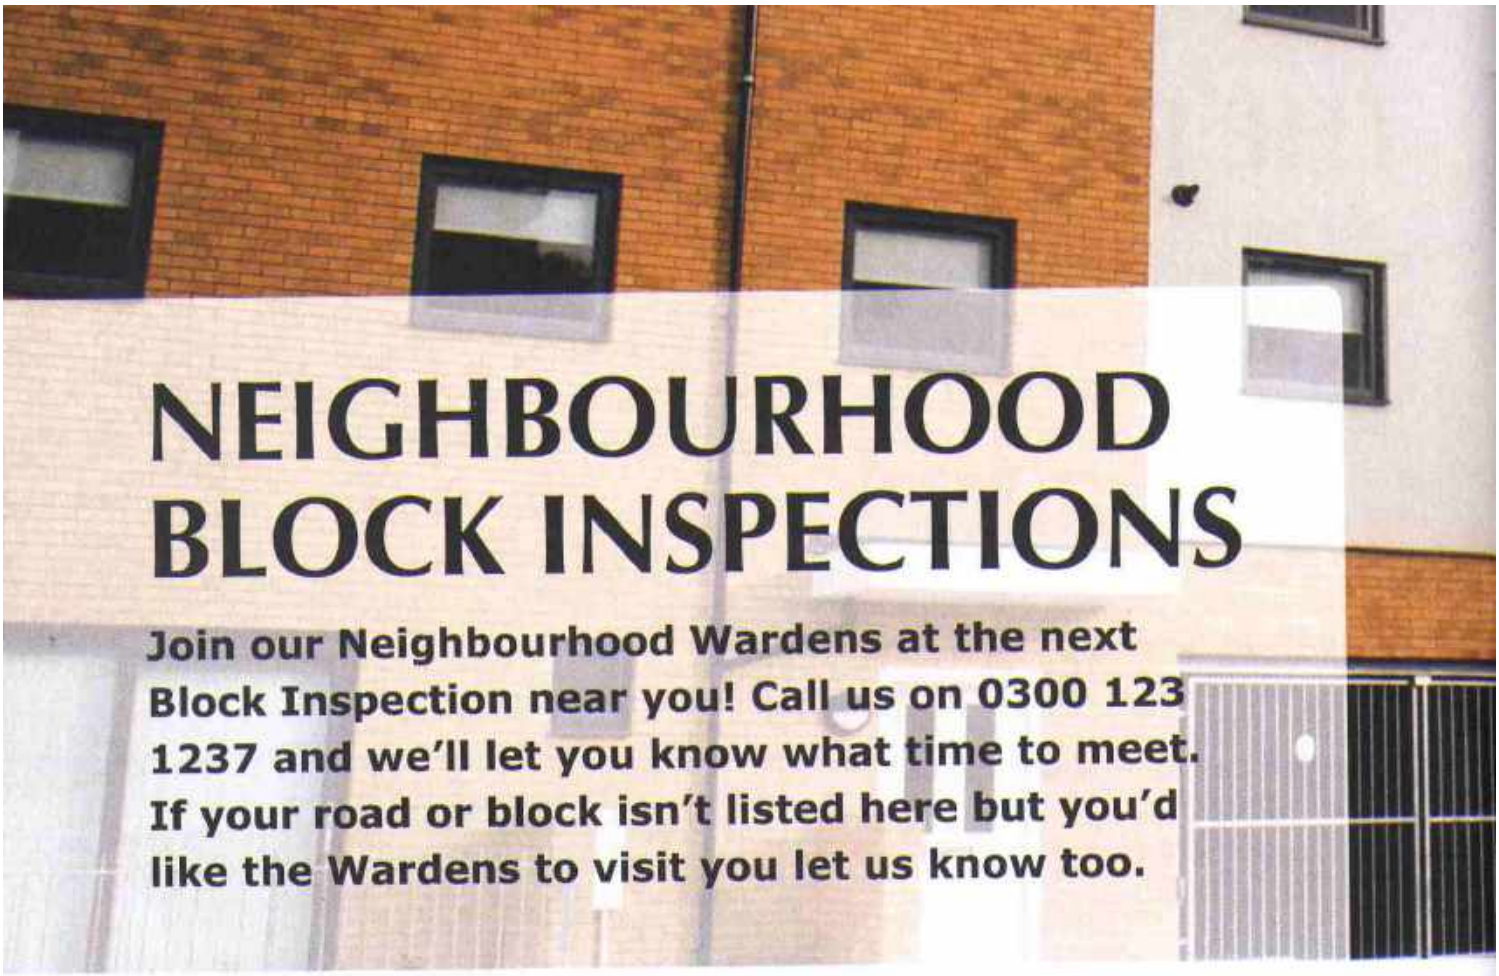

CUTTING COSTS AT HOME

Make sure you're getting the cheapest deal on your gas or electricity bills by logging onto www.myhomeenergyswitch.org.uk, a new website designed to help you compare all energy suppliers simply and quickly and to find a cheaper deal.

The service is provided by the National Housing Federation and uSwitch.com and is free and impartial. You can compare costs and switch suppliers using the service and they will sort all the paperwork out for you. Call 0800 051 5346 or use the website for more details.

If you are struggling to pay your bills or rent please contact us on 0300 123 1237 to book a free benefits health check.

HOMEOWNER NEWS

Rent Increase

On 1st April every year we alter the rent charges for our shared owners and intermediate tenants. If you have been living in your home for more than 52 weeks you will have already received a notification of your new rent and service charges. We will update your direct debit automatically so you pay the right amount. If you are a leaseholder you will shortly receive your service charge estimates for the year 1 April 2011 to 31 March 2012.

Financial assistance for leaseholders

We know that sometimes paying for service charges or major improvement works can be difficult so here are just some of the help and advice services available:

- Gallions offers interest free repayment arrangements on request, just ask us for details.
- Make an appointment with us to have a free benefits health check and make sure you are claiming all the benefits you are entitled to.
- The Mortgage Rescue Scheme may be able to help if you are having serious difficulties making your mortgage repayments – contact your local council for more information.
- National debtline can offer free impartial advice about money and debt issues. Contact them on 0808 808 4000.
- You can apply for a voluntary legal charge to be added to your property so that you pay back the costs and additional interest at a later date. This is only for those experiencing the most serious financial hardship. Speak to us before you consider this option.

Getting involved

Would you like the chance to influence the standard of the services you receive? Would you like to look in depth at how your service charge is spent? Then why not apply to join our new Homeowner Consultation Panel!

For more information and to download an application form, please visit our website at www.gallionsha.co.uk or call 0300 123 1237.

If you would like to find out about our regeneration plans contact us on 0300 123 1237.

We have had a good response so far but please remember to return the form to us when you receive it – there will be a freepost envelope enclosed for you to use. If you need any help completing the form call us on 0300 123 1237.

If you are a tenant over 65 or registered as disabled we could decorate a room in your home for free. The service is for residents unable to carry out their own decorating and those who have no other person within the household able to help. If you live in a new build home you will be able to apply for help once the property is seven years old. The scheme is discretionary and dependent on available funds.

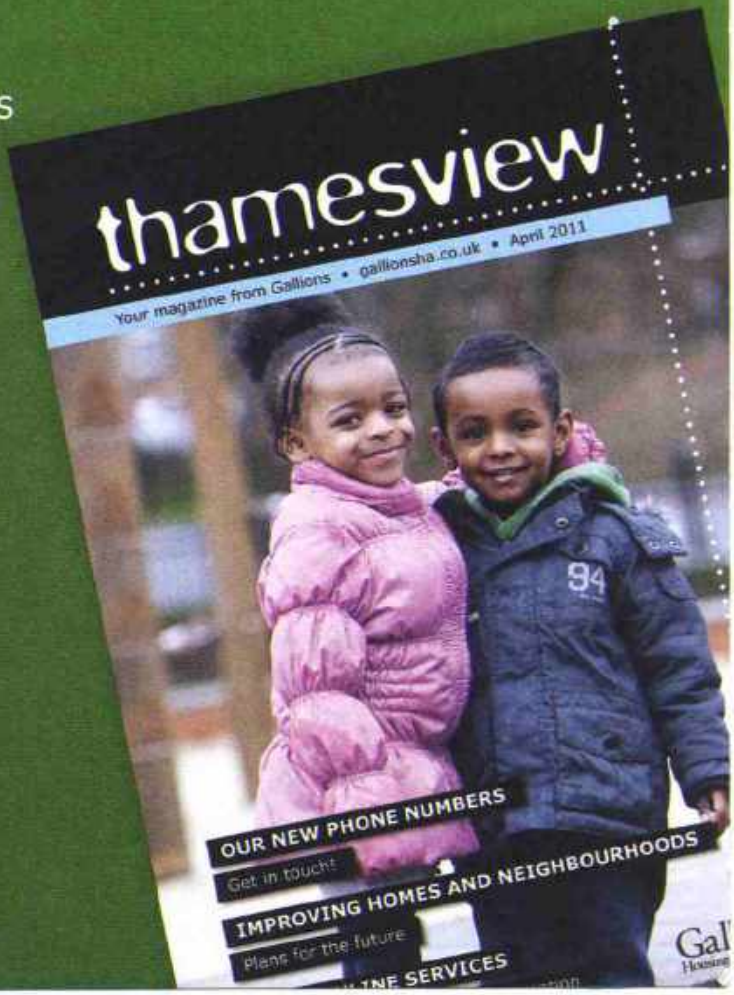

Contact us on 0300 123 1237 to find out more. Alternatively speak to your local council about their Handyperson scheme.
