Welcome to Thamesmead

Welcome to Thamesmead. On behalf of the Thamesmead Town Show Committee, I hope that all who attend the Show will have a most enjoyable afternoon, and a memorable one. This Show is intended to be the first of an annual event, and one which we hope, will be attended by people from all the London boroughs, and from many other places as well. I will end as I began—the people of Thamesmead Welcome you!

Betty Lawal
Chairman, Thamesmead Town Show Committee.

On behalf of all of us at Thamesmead, I extend a warm welcome to all our friends and visitors to this first Thamesmead Town Show. I hope they like what they see and will come back many more times.

This is a great opportunity for us to celebrate together the first 'pioneer' period in the life of this new development. It's nearly three years since the first residents arrived, now there are over 3,000 or so. Soon stage two will begin to be occupied and we look forward to meeting all the new residents as they start a new life at Thamesmead.

Finally a big thank you to Mrs. Lawal, Mrs. Cable and all who have worked so hard to make this show a great success.

Don Billis
Chairman Thamesmead Community Association.

Message from the Mayor of Bexley

In just a few short years, we have seen Thamesmead develop from the drawing board stage into a township of 3,500 inhabitants and, throughout that time, we have seen the growth of one of the town's community -relations in the shape of the Thamesmead Community Association.

Now, in 1971, we are witnessing the formation of yet another corner stone in the endeavour to build even stronger links amongst local residents, the very first Thamesmead Town show. I speak on behalf of the whole Council of the London Borough of Bexley when I say that we are pleased to be associated with this venture.

The Council is aware of the need for environmental services in Thamesmead and recognises the part which it must play, with others, in bringing these services to its people. This awareness is reflected in the steps which are being taken or have already been taken to provide, amongst other things, a purpose built Health Centre and the new schools within the development. It has been logically extended to welcome the setting up of the Community Association as a means to ensure leisure time activities and consolidate involvement, and I would wish to emphasize the Council's genuine desire to assist residents in any way that is reasonably possible.

...and one from the Mayor of Greenwich

It gives me a great deal of pleasure to write a few words to commend the Thamesmead Town Show to you all.

A great deal of hard work has gone into its preparation and the organisers are to be congratulated on their efforts.

There is much of interest for people of all ages, whether it be to look in wonder at a 12 ton Fire Engine, to watch the Regatta or just to enjoy the Sideshows and the Exhibitions.

Thamesmead is now a household word and the Town Show will enable visitors to see this unique development together with the contributions made towards its success by the G.L.C., the Local Authorities and indeed by the local organisations themselves.

My best wishes go to them all for a really successful show.

Councillor Mrs. M. I. KINGWELL.
Mayor of Greenwich.

The Rommettes

The Rommettes were formed in October 1969 to give some of the local girls an interest.

We enter a lot of carnivals and last year won 15 cups and trophies, this year so far we have won seven.

There are 38 girls in the troupe and are dressed in uniforms made of white and blue crimplene with gold trim.

We train twice weekly at a local school and do work for charities throughout the year.

Red Lady

A guest of honour, who is coming to Thamesmead on August 30th, to grace our Town Show is the magnificent fire engine, owned by Mr. Jasper E. Greaves. The lady will be very happy to allow children from 2 to 10 years to climb up and ring her fire bells, wearing of course, real fire helmets supplied by Mr. Greaves, who will himself be wearing a splendid uniform to do honour to his fire engine. Mr. Greaves has earned several thousand pounds for children's charities at fetes and shows, and will be doing so again at Thamesmead. His Lady weighs 12 tons, carries over two tons of water, is nine feet wide and 24 feet in length—in fact SHE IS A BEAUTY.
