Welcome to Thamesmead

I am delighted to write a few words for the second Thamesmead Town Show programme. Firstly, may I wish you all - organisers and spectators alike - a most enjoyable and successful day. If it is as good as the very first show last year then I know you will all have a grand time.

The Thamesmead Committee, as 'Fathers' of this challenging and exciting project, greatly admire and appreciate the pioneering enthusiastic voluntary spirit which abounds in this rapidly growing new riverside town.

We are glad to be able to provide the 'bricks and mortar' of the town but the life and soul of any city must come from the people living there. I am delighted to see the Thamesmead tenants pumping plenty of adrenalin into the veins of the town. We welcome events such as this lively, well planned and arranged show which help to foster a close, happy community spirit.

David Harris, Chairman, G.L.C. Thamesmead Committee.

Message from the Mayor of Bexley

After the most highly successful first Show of a year ago, I am delighted to know that the event will continue during the forthcoming Summer Bank Holiday.

The outstanding impression gleaned from the programme is that the Show is a truly community effort. Every age group and organisation has been encouraged to show initiative, imagination and flair, and the response is self evident.

Other attractions have not been ignored. The trendy two-day Regatta should create enormous interest, and there will be few people able to resist a close look at the vintage motor cycle display. Underlining the general co-operative spirit of the Show is the unusual Irish Pipe Band accompaniment for both Irish and Scottish traditional dancing.

I congratulate all those who have organised the event, as well as those taking part, and trust that their voluntary efforts will be rewarded by fine weather on the Summer Bank Holiday which will attract a large crowd and once more make the Show tremendously successful.

Beatrice Scott
Mayor of Bexley.

. . . and one from the Town Show Organiser

The most exciting thing about helping to organise a Town Show is the dozens of interesting people one meets as a result.

During the past few months I have been very impressed by the help given by many already over-worked and public spirited people.

'If you want something done – always ask a busy person' – has been very true – a lazy one will never get it done.

Sincere thanks to the Rev. Patrick Forbes; Mrs. Joyce Dawson; Mr. Adrian Barnard; Mrs. Marj. Billis; Mrs. Peter Goodwin; our Senior Citizens and everyone who has given their time to make this show a success.

We all wish the people of Thamesmead a great day - although the programme is set out for the afternoon - there will be plenty going on afterwards. From 6 p.m. till 9 p.m. there will be a Folk Concert by the London Baptist Youth Council and 500 young people will be involved in the entertainment.

I hope that everyone will find something to interest them in the programme and that you all have a wonderful day.

Betty Lawal.

A MAP OF THAMESMEAD

The Deptford Irish Pipe Band.

This band was formed some years ago, to create an interest for local boys and girls.

The Band is both stirring and spectacular and performs at fetes, shows and carnivals throughout the year. They also do lots of work for charity. Their uniforms are in dark green with kilts in traditional Irish piper style.

The pipers will play a special fanfare of welcome prior to the opening of the show on Tavy Bridge at 1.55 p.m. After accompanying the Scottish Dancers the pipers will march along the promenade and around Southmere lakeside.

The Abbey Dancers.

A recently formed neighbourhood team of Scottish Dancers, who have been practising with the Deptford Irish Pipe Band, especially for the Thamesmead Show. They hope to stage a rehearsal on the Saturday before the show, so lucky shoppers may get a pre-view! The dancers will give a 15 minute display after the opening of the show and another later in the afternoon on the green facing the lake.

Children's Roundabout.

Made and owned by Councillor Frank Burton of Greenwich, the roundabout has earned many hundreds of pounds for charity. Proceeds are to be jointly for our Thamesmead projects and for the local Spastics Fund.
