Thamesmead Town Show

August 27th 1973

Programme 5p

Lucky Number 181

Message from the Mayor of Bexley

The Thamesmead Town Show has grown from strength to strength and is now an established event in the local calendar, eagerly awaited by a host of people. This achievement deserves high praise, but what is even more praiseworthy is that it is a community effort which benefits the people in this part of the Borough.

The enthusiasm, inventiveness and hard work of those who organise and devise, construct and man the multifarious attractions at the Show is a striking example of the admirable communal spirit which is becoming the hallmark of Thamesmead.

In congratulating everyone concerned with the Show, I sincerely hope that it is blessed with good weather, a high attendance, and that a good time is enjoyed by one and all.

Councillor Alfred Turner
Mayor of Bexley.

Message from the Mayor of Greenwich

I have been asked to write a foreword to this programme and I do so gladly and willingly as I realise that more and more parts of Thamesmead are coming within the boundaries of the London Borough of Greenwich.

Whilst this is only the third Town Show it has already become almost an institution which speaks volumes for the work done by the Thamesmead Community Association in arranging the event.

I am sure you will want to thank them by the end of the day for all they have done and on your behalf I wish them every success in this venture.

To each and every one of you I wish you a very happy day and the best of weather to make your enjoyment complete.

Councillor Dereck J. Dean

A Message from the Chairman of Thamesmead Community Association

On behalf of the T.C.A. I have much pleasure in welcoming you all to the Thamesmead Town Show and Regatta. Looking back on the two previous Town Shows and how successful they were, I am sure with the right weather we will all enjoy ourselves at this one. I was hoping to have a go at 'wetting the Vicar' but alas Vicars aren't being wetted this year, and I hope we won't be, either!

An enormous amount of preparation and hard work has gone into making this Town Show worthy of Thamesmead. I would like to extend my personal thanks to all those who have made this Show possible. I would like to see their labours rewarded with success and the pleasure of seeing everybody having a happy day here on Thamesmead.

Do you know what you get from the GLC for the money you pay in rates – besides its share in creating Thamesmead ?

Do you know that by dialling 633 3000 (the GLC's telephone information service at County Hall) you can get help with almost any query about London ?

Call at the Information Centre to see Miss Gloria Markham, the GLC's Thamesmead Information Officer, or her colleagues Miss Daphne Voller from Bexley Council and Mrs Betty Richardson from Greenwich Council. They have lots of fascinating facts and figures which you ought to know.
