The Thamesmead Town Show Souvenir SHOWGUIDE

Bank Holiday Monday. August 26th. 1974

YOUR LUCKY WINNING NUMBER IS:

№ 7302

Welcome to the 1974 Thamesmead Townshow

Join the cavalcade, shout your encouragement to the knock-out competitors; try your luck on the sideshows; visit the boulevards of stalls or simply relax and have a picnic watching the sailing regatta.

Whatever your pleasure there are events for all the family and every age group — from pantomime and Punch and Judy, to pop groups and talent competitions.

Whilst you are enjoying your day, may we request you spare a thought for others and make the Town show come to life with an even greater sense of goodwill and community spirit; by offering a smile to a stranger as well as to a friend and by giving a few pence to a worthy charity.

You will discover as you stroll around that most of the events and stalls sponsor a worthy cause to whom all the profits raised are donated, less a nominal 10 per cent which goes to the Town Show fund to help make this occasion possible.

May we wish you a happy, good day and offer our gratitude to all the very many people who have contributed their time and considerable energy to launch this 1974 Town Show.

Townshow Executive Committee

Hawkins & Timpson Ropemakers Ltd wish the Thamesmead Townshow every success in supporting so many worthy charities and an enjoyable day to all.

Special Appeal by the Mayors of Bexley and Greenwich

GOLDIE LEIGH HOSPITAL SWIMMING POOL

Under the Chairmanship of Mrs. Marjorie E. Barron, J.P., an Appeals Committee has been set up to raise £20,000 to provide a specially heated Swimming Pool for the handicapped children of this Hospital. About £2,000 has already been raised, but a great deal more money is necessary before the scheme can be implemented.

There are about 100 children at Goldie Leigh Hospital, who at present attend the hydrotherapy pool in Eltham twice weekly. The temperature of the water must approximate 90-92 degrees fahrenheit for these handicapped cases. Although these visits last two hours, they are unfortunately of much too short a duration. Only up to 14 children can be taken for each session. About 36 children are on the hydrotherapy rota at present with a large number of others on the waiting list.

The need for a warm pool in Goldie Leigh Hospital is urgent. As the Hospital now comes under the new Area Health Authority for Greenwich and Bexley, we—as civic heads of these Boroughs—wish to further the project by asking Firms, Establishments, Banks, Commercial and Industrial Undertakings, Shops, Organisations, Clubs and Societies, as well as those folk who live and work in Greenwich and Bexley to help this cause. Please give generously or engage yourself in any money raising effort in support of the scheme. You can be assured that there is not a more deserving cause in the two Boroughs than this. Donations and correspondence should be sent to Mrs. Marjorie E. Barron, J.P., Chairman, Goldie Leigh Hospital Swimming Pool Appeal Fund, 2 The View, Abbey Wood, London, S.E.2 (Tel. Erith 34574). Remittances should be made out in the name of the Goldie Leigh Hospital Swimming Pool Fund.

Congratulations To The Peoples Of Thamesmead

This annual event is now firmly established as a leading high spot in the August Bank Holiday calendar of thousands of families. The show is a living tribute to the community spirit of the people of Thamesmead and their leaders.

The building of Thamesmead into a healthy, thriving community in such a short space of time is one of the most inspiring events of recent years.
A clear example of achievement by ordinary men and women determined to create a human environment fit for themselves and their children to live in.
May the Thamesmead Town Show 1974 bring joy to those who participate in its many activities, benefit to the Goldie Leigh Hospital Amenities Association Appeal and satisfaction to all those residents and friends who with the Town Show Executive have worked so hard to put it on.

Best wishes and good fortune to you all.

Sure Signs To A Successful Community

The occasion of a town show is a sure sign that a community is succeeding in establishing itself. At Thamesmead in particular it means that all the hard work that has gone into developing the town, by the local residents as well as the authorities, is proving worthwhile. It is very satisfying to see that this event has become a regular date in the calendar.

The Town Show Executive deserve to be warmly congratulated for their efforts, and I do hope that their appeal fund for the Goldie Leigh Hospital Amenity Association will be given all the support that it deserves.
The Town Show is worthy of the lively support of all residents and other people associated with Thamesmead. I wish the show well, long may it flourish.

Greetings From Greenwich

It give me much pleasure to write to you, particularly as more of Thamesmead itself is coming within the Borough of Greenwich and thus we are increasingly concerned with what is going on.

The Thamesmead Town Show, now in its fourth year is a very encouraging event in the Borough's Calendar when one considers the way in which the Show itself has grown in stature, and far from being 'just one of those things' it is eagerly looked forward to.

May I compliment the organisers on their ingenuity and energy in arranging such a Show and offer many thanks, on your behalf, for all the hard work they have put in to make it such a success.

Message From The Mayor

The Thamesmead Town Show has become an established event in Bexley and it, therefore, gives me great pleasure to wish the event the same success this year as it has enjoyed in previous years. Although on the Summer Bank Holiday it has to face competition from other events nearby, I know it will meet this challenge vigorously and provide a splendid pot-pourri of entertainment for everyone—young and old alike.
Events like the Thamesmead Town Show not only bring joy to many people, but they also help to bring people and communities together. This is not just on the day itself, but in the weeks prior to the event, when those who have assumed voluntarily the responsibility for organising the occasion, have to meet and discuss the arrangements. To all those who so generously give up their time to prepare the Thamesmead Town Show, I say 'thank you', and to those who attend, I wish them a very happy and enjoyable day.

Let's Make It Lucky Number 13

Take a rent office at Tavy Bridge, stir in some ideas about how it could be used as an information centre and coffee bar, add a lot of inspiration from local architects, season with meetings, memos and letters and phone calls, hundreds of pounds worth of work from the main contractors, Cubitts, and after a year or more, you've got something worth having.

Number 13 Tavy Bridge is the brainchild of the TCA's Social Welfare and Reception Committee, who are responsible for meeting newcomers to Thamesmead, and operating the Good Neighbour Scheme. The Information Centre will be manned by members of the committee, a Citizens' Advice Bureau is already at work there every week. Local councillors, the M.P. and members of the GLC's Thamesmead Committee will use the Centre for meeting Thamesmead people. The Centre will also be the focus of efforts to encourage local employment for Thamesmead people. Articles for 'Insight' can be handed in there, or dictated on to a recorder.

Downstairs, the coffee bar will provide light snacks, tea and coffee, at prices you can afford. Young and old and those in between will find a welcome here. Much of the decoration of the coffee bar will have been carried out by students from Riverside School.

Number 13 could not have happened without a lot of hard work and hard thinking by Thamesmead people. We ask you to support it, and make it the success we know it can be.

Sailing Regatta On South Mere Lake

11.30-12.30 p.m.

HANDICAP RACE

This is a race over 7 or 8 laps of the course marked out by buoys. The winner will be the crew returning the fastest time.

3.00-4.00 p.m.

THAMESMEAD SPECIAL

The course is close to the shore on the north side of the lake and will be clearly marked by a buoy at each end of the run. There will be 3 laps to the contest.

1st Lap

The boats will be without sails and will be propelled by the crew hauling buckets through the water.

2nd Lap

The sails may be used but the boat must be **capsized** once during the lap

3rd Lap

On this final lap the mainsail must be dropped and the jib only used.

First home is the winner.

The open space around South Mere offers a fine view of the lake and an ideal picnic spot, so select the boat you fancy to win and relax with the family while you watch its progress and listen to the race commentary.

...It's what your right arm's for

The Whole Year Round

Every day of the year there are members of the National Union of Public Employees at work for you.

In the local hospitals, on the housing estates, in the parks and playing fields, the water pumping stations and the sewage works. They are always there to look after the sick, drive the ambulances, answer your emergency calls and to keep vital services going.

You name almost any job that's really important to the health and welfare of the community and you'll find NUPE members there . . . working for you.

So the next time you see NUPE members campaigning for higher wages, better conditions or improved services, give them your support. Remember they work for you the whole year round. And that includes Bank Holidays.
