BEST WISHES TO ALL THAMESMEAD RESIDENTS

It gave me particular pleasure to learn that the 1975 Town Show would take place in spite of the many difficulties facing the organising committee. I would like to offer my warm congratulations to the determined and resourceful people who have worked so hard to make this year's Town Show a reality.

I think it immensely important that a new community like Thamesmead should establish firm roots and traditions and the fact that the Town Show is now firmly established as an annual event contributes greatly towards a living and growing community.

May I take this opportunity of wishing you all a happy day on 25th August and congratulate again those who have worked so hard to make the 1975 Town Show the success I'm sure it will be.

Thank you to all the organisations and business people who have pulled out all stops to help us get this show off the ground, and especially to the printers of the programme and the people who do the hard and often thankless tasks like clearing up litter and going to countless meetings in their meagre spare time — the GLC and the London Boroughs of Greenwich and Bexley and the caretakers.

MESSAGE FROM THE MAYOR OF BEXLEY

I am delighted that once again the residents of Thamesmead have got together to organise for the fifth year running the Thamesmead Town Show. I am sure that this event not only helps to generate a feeling of corporate fellowship among those individuals and organisations responsible for its organisation, but also contributes towards the general happiness of Thamesmead residents and visitors to the occasion. On behalf of the people of Bexley I wish the occasion every success.

F. BREARLEY

MESSAGE FROM THE MAYOR OF GREENWICH

I have been asked to write this foreword and I do so with pleasure because of the growth of Thamesmead within the Borough.

This year's show, the fifth in successive years, has grown from relatively small beginnings into one of the major events of the area—well patronised, and a splendid social function.

In these days of financial crisis it is encouraging to see the good people of Thamesmead taking their courage in both hands to organise this event which I am sure will surpass all others and give many hours of pleasure to a great many people.

I wish the show every success and good weather to encourage a good turn-out.

I am sure all the residents of Thamesmead and the visitors will wish me to thank the organisers for all their hard work.
