Message from
Mr. Bill Simson,
Chairman,
G.L.C. Thamesmead Committee

I am often heard to say that Thamesmead is a successful development and the enthusiasm put into the Thamesmead Town Show helps to prove it. Local people by their own efforts have made the Show one of the most significant events of the Thamesmead year, enjoyed alike by residents and others from miles around. A community is as good as the people who belong to it, and the Show demonstrates the people of Thamesmead are second to none since they have set new standards of community self-help and co-operation, and this has helped to make my job most satisfying and worthwhile. Thamesmead is also given the lie to those who think a community spirit cannot grow in a brand new development. I ask you all to reward the hard work of the organisers by really enjoying yourselves in this most excellent cause.

MESSAGE FROM THE MAYOR OF BEXLEY
ALDERMAN Mrs. AGNES ORGANGE

Thamesmead Town Show has become an event to which people from Thamesmead and from the outside now look forward to attending every Summer Bank Holiday. Developed every year from the energy of enthusiasts from within the Thamesmead community, it provides gaiety and entertainment for people of all ages. The organisation of the event brings people together with different skills and attributes and thus its preparation helps to unite people in a common purpose and so helps to develop new friendships and a community spirit which otherwise might never have existed.

This is an event which I hope will grow in strength year by year and to all concerned I wish the Thamesmead Town Show of 1976 every success.

MAYOR

MESSAGE FROM THE MAYOR OF GREENWICH
COUNCILLOR Mrs. H. STROUD

It gives me great pleasure to write this foreword for the programme of the Thamesmead Town Show.

This will be the sixth Show and over the years it has gone from strength to strength, until now it is the highlight of the year for the residents of Thamesmead. Thamesmead continues to expand, with new families moving into the area, and it is the Town Show which brings people together, providing them with a sense of community, purpose and interest. It is a great social event and the organisers are looking to you to give it your whole-hearted support.

I sincerely hope that the Show will be blessed with fine weather and wish you all a very happy time.

ANN STROUD
MAYOR

Have the strength of the TCA around you

The Thamesmead Community Association is like a tenants' trade union and it is the only association which represents residents, irrespective of where they live in Thamesmead.

Unity is strength, and the T.C.A. believes that "united we'll stand . . . divided we'll fall". By becoming a member of the T.C.A. you will be joining forces with thousands of people, just like you.

Our headquarters is at 13 Tavy Bridge, with the T.C.A. Coffee Bar downstairs. Upstairs, there is the Citizens Advice Bureau, Employment Exchange and Advice Centre.

'Insight' is the T.C.A.'s community newspaper. It is delivered free every month, to all people living in Thamesmead. You can write for 'Insight' or just enjoy reading its pages.

There is always room for new workers in the T.C.A. If you have some time to spare, or if you are not satisfied with what's happening in your area, or if there is a new idea you would like to get off the ground: see us at the Town Show, or drop us a line.

By managing the Pyramid and Limestone Clubs efficiently, our membership fees are realistic. Just 50p per family for life, and 25p per adult each year, to use the licensed Clubs. Membership for Senior Citizens is free.

JOINING THE TCA MAKES SOUND SENSE!

Write to Jim Murray, Membership Secretary, 13 Tavy Bridge, S.E.2 or see us at the Town Show.
