BEST WISHES FOR THE THAMESMEAD VIIth TOWN SHOW

A MESSAGE FROM THE THAMESMEAD COMMITTEE CHAIRMAN

As the new chairman of the GLC Thamesmead Committee I welcome this opportunity to wish the 1977 Town Show every success.

I think it is particularly commendable that a relatively new development like Thamesmead has managed to create such a good community spirit in so short a time—it is surely this spirit of co-operation and goodwill, together with a large measure of hard work, that has made the Town Show an established annual event at Thamesmead.

For my part, I would like to assure you all that it is my earnest desire to see Thamesmead becoming one of the most desirable, forward-looking and generally happy communities in the whole of Greater London.

I have been asked if I will open the Town Show and it is with great pleasure that I have accepted this kind invitation. During the afternoon my wife and I look forward to meeting many of you and sharing your enjoyment at the show.

Finally, my congratulations to everyone concerned with the organisation of the show for I know that a great deal of hard work has gone into the preparations and arrangements for it.

Victor R. M. Langton.
