Have the strength of the TCA around you

The Thamesmead Community Association is like a tenants' trade union and it is the only association which represents residents, irrespective of where they live in Thamesmead.

Unity is strength, and the T.C.A. believes that "united we'll stand . . . . . divided we'll fall". By becoming a member of the T.C.A. you will be joining forces with thousands of people, just like you.

Our headquarters is at 13 Tavy Bridge, and there is the Citizens Advice Bureau, and Advice Centre.

'Insight' is the T.C.A.'s community newspaper. It is delivered free every month to all people living in Thamesmead. You can write for 'Insight' or just enjoy reading its pages.

There is always room for new workers in the T.C.A. If you have some time to spare, or if you are not satisfied with what's happening in your area, or if there is a new idea you would like to get off the ground: see us at the Town Show, or drop us a line.

By managing the Pyramid and Limestone Clubs efficiently, our membership fees are realistic. Just 50p per family for life, and 25p per adult each year, to use the licensed Clubs. Membership for Senior Citizens is free.

JOINING THE TCA MAKES SOUND SENSE !

Write to Eileen Dix, Membership Secretary, 13 Tavy Bridge, S.E.2 or see us at the Town Show.

LEARN & HAVE FUN!

A MESSAGE FROM THE THAMESMEAD COMMITTEE CHAIRMAN

It gives me much pleasure once again to pen this foreword to the Thamesmead Town Show programme.

The show is, in many ways, the highlight of the Thamesmead year and it has grown from strength to strength providing a happy day out for residents of Thamesmead and attracting numbers of people from surrounding areas. It is a true indication of the energy, initiative and goodwill of a number of enterprising organizations and individuals, all of whom deserve our thanks.

May I take this opportunity of mentioning the GLC exhibition (advertised elsewhere in this programme) which seeks your views on proposals for improving the environment of Areas 1 and 2. I invite everyone to call in and comment on our suggestions.

I hope the 1978 Town Show will be the best and brightest we have seen in Thamesmead.

Victor R.M. Langton
Chairman, GLC Thamesmead Committee.

MESSAGE FROM THE WORSHIPFUL THE MAYOR OF BEXLEY

Councillor Charles E. Packer

The Thamesmead Show has proved to be a tremendous success over a long period of years, so much so that it has gained a permanent place in the local calendar. It is a joyful occasion giving fun and pleasure to many. The Show also gives an opportunity for a worthwhile fund raising affort by many Borough and National Charities. The combined efforts of all involved financialy assists several organisations and groups, which enable them to augment their charitable and voluntary activities.

I am conscious of the fact that the residents of Thamesmead put in a great deal of voluntary work to make this show a success. They erect and maintain stalls, as well as selling varied commodities, which they have either made or acquired during the remainder of the year. I would pay a tribute to these people as well as those who have served in other ways and or who have provided gifts. I am certain that the Show will once again be a tremendous success.
