THAMESMEAD TOWN SHOW

monday 27th august 1979

10p

Program No.

Have the strength of the TCA around you

The Thamesmead Community Association is like a tenants' trade union and it is the only association which represents residents, irrespective of where they live in Thamesmead.

Unity is strength, and the T.C.A. believes that "united we'll stand . . . . . divided we'll fall". By becoming a member of the T.C.A. you will be joining forces with thousands of people, just like you.

Our headquarters is at 13 Tavy Bridge, with the Citizens Advice Bureau and Advice Centre.

'Insight' is the T.C.A.'s community newspaper. It is delivered free every month, to all people living in Thamesmead. You can write for 'Insight' or just enjoy reading its pages.

There is always room for new workers in the T.C.A. If you have some time to spare, or if you are not satisfied with what's happening in your area, or if there is a new idea you would like to get off the ground: see us at the Town Show, or drop us a line.

By managing the Pyramid and Limestone Clubs efficiently, our membership fees are realistic. Just 50p per family for life, and £1.00 per adult each year, to use the licensed Clubs. Membership for Senior Citizens is free.

JOINING THE TCA MAKES SOUND SENSE !

Write to Membership Secretary, 13 Tavy Street, S.E.2, or see us at the Town Show.

A MESSAGE FROM THE THAMESMEAD COMMITTEE CHAIRMAN

Once again the Town Show is with us and this year marks the 10th year of Thamesmead as a community. I hope it goes on to mark its 50th.

Each year the Town Show demonstrates the interest and spirit of the community in providing a great day out for the family, it has deservedly formed a central feature of the Thamesmead calander, my thanks go to all who work so hard for its success each year. I want also to thank all the people and organisations who work throughout the year to foster that community spirit in the everyday life of Thamesmead.

I am sure that August 27th will be a great day of community celebrations for all and I wish it every success.

With out Best Wishes
for an enjoyable and
successful Fete

MESSAGE FROM THE WORSHIPFUL THE MAYOR OF BEXLEY
COUNCILLOR F. PEARSON SELLORS

For many years now the Thamesmead show has been one of the high spots in the annual programme of local events and I am certain that this year will be no exception. The show provides an opportunity for a worthwhile fundraising effort by many Borough and National Charities and the combined efforts of all concerned assist many organisations and groups to augment their normal activities.
I know that throughout the whole year the residents of Thamesmead put in a great deal of voluntary work to make this Show a success.I pay a sincere tribute to all those concerned, in whatever capacity,in organising the Show and I am certain that its objectives will once again be achieved.
