MESSAGE FROM THE MAYOR OF GREENWICH

The Mayor of Greenwich sends her best wishes to all the organisers of the Thamesmead Town Show for 1980 and to all those who support it by their attendance. She hopes they all have a very successful and happy day, and that the sun shines on their efforts.

COUNCILLOR MRS. MARGARET E. DEAN J.P.

MESSAGE FROM THE MAYOR OF BEXLEY

The Thamesmead Show has for many years been a major event in the local calendar of fund-raising activities over the August Bank Holiday weekend.

As well as enabling local charities to raise funds to help with their normal activities, combined voluntary efforts of this kind do a great deal to help foster a spirit of friendly neighbourliness and goodwill which carries over long after all the excitement is forgotten.

To those of you who have worked so hard to help make this Show a success, may I offer my heartiest congratulations. To those of you who are just enjoying a pleasant afternoon out, may I call upon your generosity to help all those involved with Thamesmead Town Show achieve their objectives.

Best wishes

Jim Holden
