HOUSE OF COMMONS

Congratulations to the organisers of the Thamesmead Town Show - an event that has grown to borough wide importance.

The community spirit of Thamesmead has greatly benefited from the voluntary work of the many local residents in the various organisations operating in the area. They all deserve our thanks.

The Show is a wonderful opportunity for a really enjoyable fun day, right here at home in Thamesmead.

As a Member of Parliament for the area, I invite you to join in the fun and have a great time at the 1981 Thamesmead Town Show.

See you there!

Yours sincerely,

Jim Wellbeloved

JIM WELLBELOVED
M.P. for Erith & Crayford

The community spirit has always been one of the best things about the development of Thamesmead, and the Town Show is a striking exam le of the community effort which demonstrates that the people of Thamesmead care.

Congratulations again to all those involved in organising and running the Show and I hope that once again the residents will turn out in numbers to support the effort and make it a happy occasion.

D. Hamilton

President of the Thamesmead
Town Show Association

Since its birth, Thamesmead has always demonstrated a strong sense of community. Whilst some communities grow and develop as a result of a need to defend themselves from some external threat, it is clear that in Thamesmead there has grown a more positive community spirit borne out of desire for mutual support with the objective of improving the standard of life of all its inhabitants.

Various local groups have been formed over the years, and many worthy and charitable activities take place.

The Annual Thamesmead Show is now part of the local scene, and I expect to be in attendance during the afternoon, and to give the support you deserve in order to help make this year's event a success.

May I pass on my good wishes to all those hard working stalwarts who have been part of the organisation of the Show, and express the hope that this will once again be a happy and profitable occasion.

The Worshipful the Mayor of Bexley

The Mayor of Greenwich sends every good wish to both the organisers and supporters of the Thamesmead Show this year for what has become a very popular and important local event each Summer. He is sure the efforts of the organisers will be crowned with well-deserved success.

COUNCILLOR FRANK BURTON

HAVE A GREAT TIME AT THE THAMESMEAD TOWN SHOW '81

INDEMNITY CLAUSE
THE THAMESMEAD TOWN SHOW ASSOCIATION ACCEPT NO RESPONSIBILITY FOR LOSS OR INJURY INCURRED BY PARTICIPANTS OR VISITORS AT THE TOWN SHOW

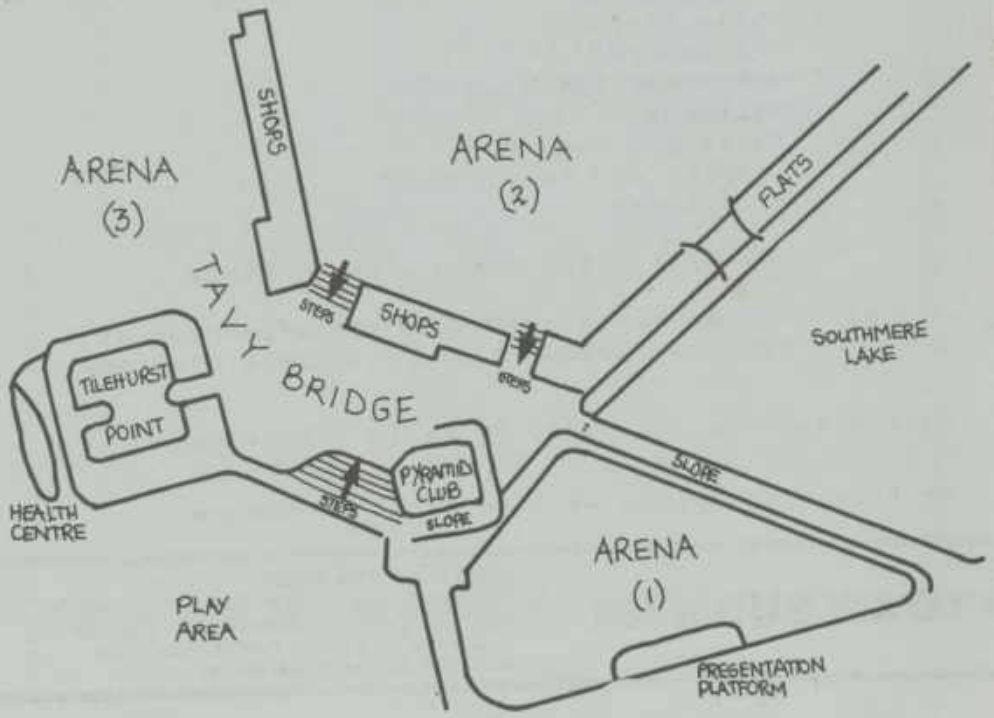

I am pleased to be writing the TCA Town Show message on this occasion. Never in my wildest dreams did I ever imagine that the Town Show would survive beyond the first year. However, here we are taking part in the 11th Show and going from strength to strength.

Needless to say, every Town Show has its own particular characteristics. Some have been great, some have been near disasters. Let us hope that this year will be a great one. Of course good weather is always a help and we can only hope for sunshine all the way.

May I congratulate the organisers of the Show and wish them all the best on the day.
