THAMESMEAD TOWN SHOW

A FAMILY FUN DAY

It is a pleasure and privilege to be asked to open the Thamesmead Show. Throughout the twelve years that I have worked here I have admired the efforts of Thamesmead people to overcome their many difficulties and to develop a community spirit. At the Town Show, as always, we will see that spirit in action.

The Show is only possible because many people have worked hard and willingly for months in preparing for it, and on your behalf I would like to thank them all. Do come along and enjoy yourselves!

RODNEY TURNER

As Mayor of Bexley I would like to wish the organisers and other participants in the Thamesmead Town Show 1982, every success and feel sure that all your hard work on behalf of the community will be justly rewarded.

Since its inception, the Thamesmead Show has become more popular every year, and is now a well-established attraction for hundreds of people every August Bank Holiday.

Congratulations are due to all those who have worked so hard to build up and run the Show. Long may the Community spirit of Thamesmead continue to flourish.

Best wishes to all those who are taking part, and I look forward to meeting you all during the course of the afternoon.

Congratulations again to all those involved in organising and running the Thamesmead Town Show and I hope the residents will turn out in numbers to support the effort and make it a happy occasion.

The community spirit has always been one of the best things about the development at Thamesmead and since my retirement last year I certainly miss all you lovely people.

Best of luck to you all and I'll see you on the day.

INDEMNITY CLAUSE

THE THAMESMEAD TOWN SHOW ASSOCIATION ACCEPT NO RESPONSIBILITY FOR LOSS OR INJURY INCURRED BY PARTICIPANTS OR VISITORS AT THE TOWN SHOW

The Town Show promises to be yet again one of the highlights of the Thamesmead year. Providing the weather is kind to us, it should be a great day out for us all and we hope to see lots of people supporting the Show.

It is always a pleasure for me to be invited to say something about the Show because of my association with it since the very beginning. Throughout that time there have been periods of uncertainty as to whether the Show will continue or not. This has been largely due to the fact that the organisation relies solely on unpaid volunteers. However, the present management seem to have got things firmly under control and the Show is going from strength to strength.

May I express my thanks to these hard-working volunteers for the valuable contribution that they make to the life of Thamesmead and in providing an opportunity for other voluntary groups to raise essential funds for their organisations. Also, on this occasion I would like to thank the GLC for its contribution to the cost of the Show.

Good luck on the day, and best wishes for the future.
