**THE ONLY WAY TO TALK TO THAMESMEAD**

It is amazing to think that the Thamesmead Town Show has been part of the calendar for the last 13 years, and as the August Bank Holiday approaches yet again, it is indeed my pleasure to write this short address for the programme. It is usual for the Mayor to be asked to perform this task, and I am honoured to be associated with this marvellous community event, as my predecessors have before me.

This year the organisation of the Thamesmead Show has been taken over by Trust Thamesmead Ltd, as the Thamesmead Town Show Association has been dissolved. I was indeed sorry to hear of the passing of the Association, but was delighted to see the event continue. The high standard of recent years will, I am sure, be maintained.

The Show is a big event for the local community organisations, and it provides the opportunity to raise funds which, in many cases, have to sustain these voluntary groups throughout the year. So can I urge both residents and visitors to support this event with enthusiasm and generosity. It is an important part of the community.

Thank you for your support. I'll see you there!

**The Worshipful the Mayor of Bexley,**
**Councillor Dennis C. Bale, M.Inst.R.**

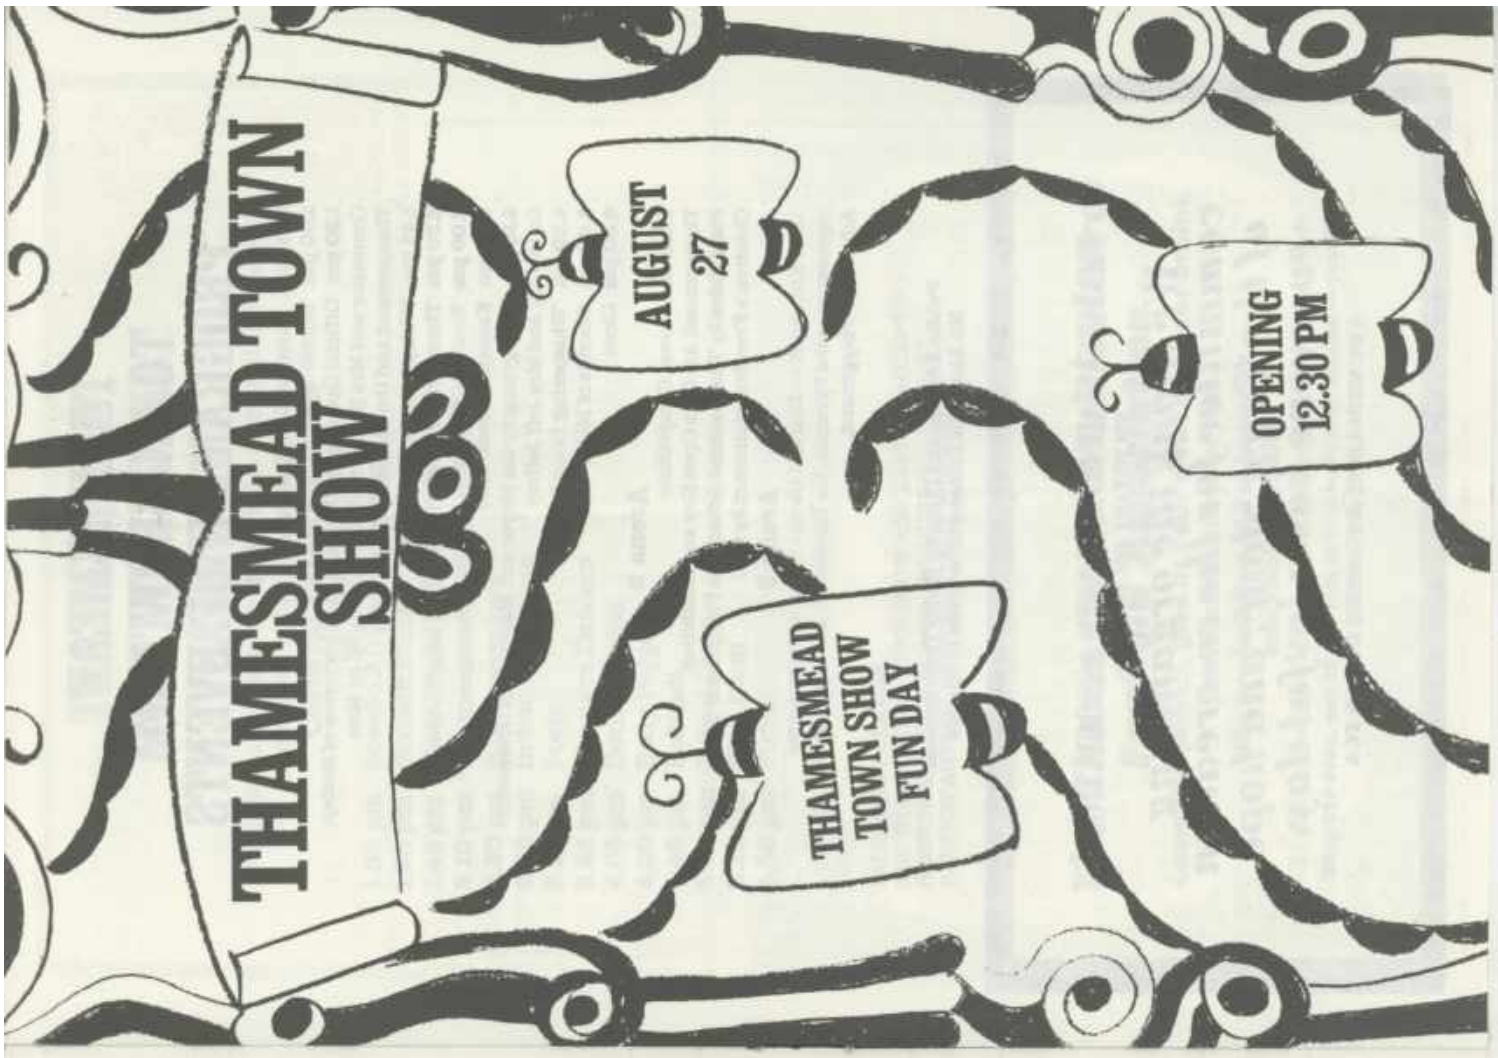

Early this year the Town Show appeared to have died. Now it may well prove to be the best ever; especially now it is held in co-operation with the Thamesmead Multi-Cultural Funfield Association Carnival.

The TCA congratulates the Thamesmead Town Show Committee, particularly Mary Chambers of Trust Thamesmead and Peter Suckling of GLC, for its near miraculous act of resuscitation.

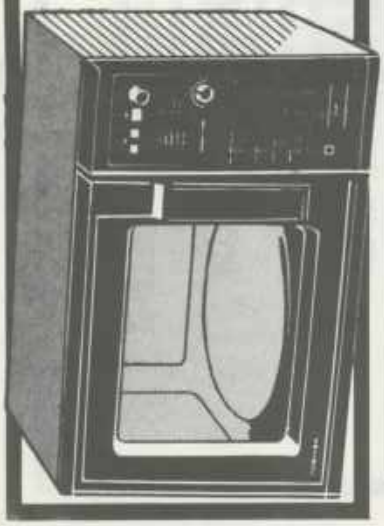

**John Pegg,**
**Chairman Thamesmead Community Association.**

Last year we were glad to witness the success of the Thamesmead Town Show and again this year we hope that the support in volunteers and any money will help the various community activities. The successes, and even if there are some groups struggling, will all help to bind together Thamesmead as a local community.

# It's easy to complain about advertisements. But which ones?

Every week millions of advertisements appear in print, on posters or in the cinema.

Most of them comply with the rules contained in the British Code of Advertising Practice.

But some of them break the rules and warrant your complaints.

If you're not sure about which ones they are, however, drop us a line and we'll send you an abridged copy of the Advertising Code.

Then, if an advertisement bothers you, you'll be justified in bothering us.
