WE'LL MOVE FAST SO YOU CAN.

If you need a mortgage quickly, don't make a move without us. We realise how difficult it is to keep a seller interested if someone's keeping you hanging around for a mortgage.

So we've designed our Home Mortgage service to cut down that anxious period of waiting.

Once you've made your application, we'll often give you an immediate on-the-spot reaction.

Then, once you've passed the normal credit checks and your house has been valued, we can usually give you a firm decision within a few days.

But our Home Mortgage service isn't only fast, it's flexible too.

Because you can choose between an endowment or repayment mortgage, or a combination of both.

And we'll even give you a Barclays Mortgage Certificate which will state how much you're able to borrow.

This could prove invaluable because it shows the seller that you are a serious buyer able to raise the necessary mortgage.

+++ YOU'RE BETTER OFF TALKING TO BARCLAYS

For written details and your free Barclays Home Mortgage Pack please contact Barclays Bank PLC, PO Box No. 279, 2/4 Wellington Street, Woolwich, London SE18 6NU. Tel: (01) 855 5671 & (01) 855 7733.

Security is required for Barclays Home Mortgages.

Welcome . . .

The Rev. Christopher Byers

Welcome to Thamesmead's Town Show 1988. Our day of celebration is earlier this year in order that more families can enjoy a day out in their own town before the school holiday's begin. You will also notice that there are extra events planned for Sunday too. A fore-taste of a future Festival Week.

We have tried to build upon last year's show, which was a huge success largely because everybody came in great good humour and entered into the spirit of the occasion. Please remember that the people who have planned and prepared for this day are not professionals but simply a small group of local residents who have given a lot of their spare time and energy and have been backed up by the Events Team of Thamesmead Town, without who's help the show would not be possible.

Come and help make a success of the day. You will be helping good things like friendship, neighbourliness, and a sense of belonging, to take root in our new and fast-growing community.

Christopher M. Byers.
