CHAIRMAN'S ADDRESS

I would like to welcome everyone to the **1993 Thamesmead Town Show.** I am delighted to have been asked by Trust Thamesmead to open this - the 22nd Town Show - which will be an outstanding success.

The Town Show is a wonderful opportunity for the people of Thamesmead, young and old, families and friends, to come together and enjoy themselves. It is also a chance for Thamesmead to play "host" to thousands of visitors and to show them the many and varied attractions of Thamesmead. I particularly welcome those who are in Thamesmead for the first time and hope they have a fabulous day.

There is something for everyone at this years Town Show, a multitude of ***stalls, boat trips on the lake, music, song and dance***. Children (and probably adults too!) will enjoy a ride on ***Thomas the Tank Engine*** or the wonders of ***Pierre Picton and his exploding car.***

We look forward to seeing you all at the Show.

Sir James Mellon
