# On the waterfront

Peabody has selected a partner for the major waterfront project that will create homes and jobs for Thamesmead.

Lendlease, has been named as the preferred partner for the scheme that will rejuvenate the area around the town centre.

The Thamesmead Waterfront development will have the potential for 11,500 new homes as well as commercial and community spaces, providing opportunities for local people.

We will also be lobbying government for transport investment, particularly the proposed new DLR extension which would provide a direct connection from central and north Thamesmead into the Royal Docks and the City. This will improve access, mobility and encourage further investment.

Lendlease has great experience of delivering major development and regeneration projects across London. It has been named the UK's Most Sustainable Residential Developer for the last three years running.

The partnership is set to be finalised in summer 2019 and we'll then start to consider in more detail what the development could look like. We will engage fully with residents, businesses and the Royal Borough of Greenwich throughout this process to shape these plans.

Because of the amount of planning and design work required for a project of this size, it will be a number of years before construction starts on the site. In the meantime Peabody will continue to invest in the area and keep residents regularly updated on progress.

# Awards success for PST

Positive Steps Thamesmead (PST) has received a "Highly Commended" in the "Not for Profit Working in Partnership with the NHS" category at the prestigious HSJ Partnership Awards.

The signposting service, run by Peabody, supports Thamesmead residents facing a wide range of difficulties by helping them to access the help they need. PST was developed after GPs at the Lakeside Medical Practice were finding that around 40% of their patients were attending because of stress over non-medical issues, such as housing, debt and fuel poverty.

Since the project started in April 2015, hard-working local PST volunteers based at centres across Thamesmead have seen a total of 2,635 residents. For more information contact PST at 07815 734 080.

# Thamesmead on film (again!)

Local resident Shan and daughter Ruby with Bulletproof stars Ashley Walters and Noel Clarke during filming

Yet another major TV series has been filming in Thamesmead bringing more opportunities for residents to get their foot on the ladder of a career in film and television.

The second series of Sky One's police drama Bulletproof, staring Noel Clarke and Ashley Walters, has been filming in the town with eight local people taking part as paid runners and extras.

Prior to filming Peabody held two information evenings, attended by 30 residents, and a ScreenSkills Q&A session where experts talked about routes into the industry and the variety of jobs available.

As ever all the money paid in location fees goes into the Peabody Fund, which local people can apply to for grants to run community and art projects in the town.

For more information about how to take part in future filming contact **lisa.drew@Peabody.org.uk**

## Taking care

Over the past year Peabody has boosted its environmental services team, employing ten new staff to help ensure speedy repairs.

Some of the new team are working on the enhanced Caretaker Plus programme which is proving popular with residents. After the changes were brought in 78% of residents surveyed scored the standard of cleaning on the block between 1-8, compared to 38% before. Meanwhile, 84% of residents thought their caretaker did a good job.

We have also brought communal repairs and drainage services in house. The team inherited 200 broken or boarded windows. When surveyed, 93% residents said they'd seen a reduction or now had no broken windows; 58% said they'd seen a reduction in repairs waiting to be fixed and 92% said repairs were carried out quickly and efficiently.

## What a waste

At the Moorings a further Community Protection Notice has been served in response to a complaint about a very untidy garden area. This has been successfully cleared.

The first Fixed Penalty Notice for fly tipping was given to a resident with a fine of £75 being paid to the local authority.

Peabody wardens are also now patrolling the area with police.

## Towering improvement

Our work to refurbish the Thamesmead Towers is now underway on Wolvercote Road and Kale Road. This includes replacing windows with double glazed uPVC windows, new extractor fans, external concrete repairs and minor external decoration.

We've also secured planning permission for the Southmere Towers and are currently selecting a contractor for the works, which should begin in the summer.

As usual, Peabody will make sure residents are kept informed of developments.

# From swamp to beauty spot

During February half-term the overgrown pond at Tump 53 was landscaped with a huge digger. All the reeds were removed and the pond deepened in places to allow for more varied plant growth to attract a wider range of birds and aquatic life.

Visitors to the site can now enjoy views of the water and in time will be able to do pond dipping from the new platforms being installed. It's already attracted herons, ducks, moorhens and coots.

Since September last year more than 1,300 school children have visited the site and over 650 members of the public have attended events.

Anyone wanting to know more about the site, community engagement or schools programme can contact **tump53@peabody.org.uk**

# Wheelie great

Peabody is organising the Wheelies Project every Wednesday to encourage young people to ride their bikes/scooters to school instead of travelling by car.

The programme will help the young people to keep fit and to reduce pollution. Cycling also has significant benefits as it can help to improve the social and emotional wellbeing, significantly reducing sedentary time and increasing physical activity.

To encourage young people to join the scheme there are bikers' breakfast in the morning and an after school Bike Doctor.

For more information contact **Stephanie Turner** on **0203 828 4925** or **stephanie.turner@peabody.org.uk**

# On your bike

Open to all ages and abilities, the Tour De Thamesmead is an exciting new off-road social cycling event.

It will happen on Saturday, June 29th, taking in green spaces and stand out landmarks around Thamesmead such as: Southmere Park; Lesness Abbey; Birchmere Park and the Thames path.

The circular route is around nine miles long and individuals or groups will need to book the guided shuttle around Thamesmead, leaving every 30 minutes starting from 10.00am.

Sign up for the event via Event Brite **www.eventbrite.co.uk/o/nows-the-time-thamesmead-14420498799**

# Come and grow

Are you a local business owner? Then come along to the monthly Thamesmead Business Forum where you'll find out how you can access potential growth opportunities in Thamesmead.

It's open to individuals, start-ups or established businesses looking to start, develop or grow in Thamesmead.

The next meeting is on Monday, 1st April from 4pm to 6pm at The Link, Bazalgette Way, Thamesmead, SE2 9BS or contact **madeinthamesmead@peabody.org.uk** for details.

# Arts fund is open for business

The Community Arts Fund supports a range of music, theatre, dance, performance projects and outdoor arts & events.

It aims to stimulate participation and engagement in the arts within the Royal Borough of Greenwich while encouraging partnerships between established organisations, community groups and schools.

The fund supports activities that: deliver new arts and cultural projects and programmes; encourage active participation in the arts by a diverse cross section of the community, including young people, older people and under-represented groups; create participatory work that animates town squares and outdoor spaces attracting local audiences; develop partnerships between local cultural organisations, networks and groups and encourage delivery of community based arts and cultural programmes and projects.

To apply visit **www.royalgreenwich.gov.uk**. If you have any questions contact **020 8921 8390** or **artsgreenwich@royalgreenwich.gov.uk**

YMCA THAMES GATEWAY

Registered Charity No: 1133269

St John Fisher Catholic primary school, one of the teams enjoying the League.

# Hoop stars

Since October schools from Greenwich and Bexley have been competing in the Thamesmead Netball League set up and run by Peabody.

The girls have described how the league has had a great impact on their netball skills enabling them to build their confidence too.

They've learnt many different techniques, improving their shooting, defence and more. While the umpires are strict in applying the rules they're being supportive too, explaining anything players are unsure about.

# Archive grows

The first Community Archive session has taken place with volunteers sorting and scanning collections from residents, including newsletters and information on community events, maps, and postcards.

Five people have also been interviewed to start our collection of oral histories, during which we heard about: how new residents were welcomed to Thamesmead in the 1970s; the way the community first came together; stories about growing up in the 1980s and the positive experience of someone who has recently moved to Thamesmead.

If anyone would like to be interviewed or has come across photos, articles, diaries or other items which show the unique culture and landscape of Thamesmead, please contact **sharon.casey@peabody.org.uk**

# 50th Fund pays dividends

More than £50,000 was given to local cultural and community projects last year by the Peabody 50th Fund, which distributes grants of between £200 to £2,000 from the money generated by filming in Thamesmead.

Nearly £52,000 was donated to 31 different projects covering activities as diverse as: a Christmas dinner for elderly people in the Moorings; sewing courses for local women; a scheme enabling young people to produce digital content; accessible dance lessons; a family cooking programme and support for a local running club. Details about the new fund and how to apply will be announced soon.

Filming of shows such as Bulletproof funds community work in Thamesmead.

# What's on April

**Please visit**
**www.thamesmeadnow.org.uk for the full list of events.**

**Thamesmead Texas Exhibition**
Until 29th May, with special performances and workshops on 6th April and 4th May. Tues and Weds 11am-4pm, and first Sat of the month
**Venue:** Thamesmead Information Hub
**Cost:** Free
Artists new to the area exhibit their first impressions of Thamesmead
**Contact:** **Lisa.Drew@peabody.org.uk** or 0203 828 4308

**Thamesmead Culture Forum**
