THAMESMEAD FESTIVAL PROGRAMME

SATURDAY 14TH AUGUST 2021

12-7pm · Southmere Park

A COMMUNITY CELEBRATION

WELCOME TO THE THAMESMEAD FESTIVAL 2021

We are proud to bring you the Thamesmead Festival as a whole-hearted community celebration, showcasing Thamesmead's rich and diverse talent.

We are the Festival Production Group, made up of 11 passionate and dedicated local residents from across Thamesmead. Over the last 18 months we have been planning this day with the Thamesmead community in mind. All of the acts, stalls, and artworks you will see during this family day out are either from Thamesmead or have a close connection to the area. This is an expression of Thamesmead as you have never experienced it before.

The day will kick off with the Carnival of Colours, a community procession winding its way through the streets of north Thamesmead before it arrives in Southmere at 12:45pm with a grand entrance. The festival site, which hugs Southmere Lake from Southmere Square round to the Lakeside Centre, boasts three music stages, a family and kids area, food and craft stalls, an arts trail and much more. This event will show Thamesmead in a new light, a truly unique lakeside celebration of community, culture and creativity.

We have worked with renowned music event producers Serious to bring you this great community celebration. They have supported us to make all decisions from programming the stages, commissioning artworks, and developing the festival brand with local artist and illustrator Keith Hau.

It is also 50 years since the first Thamesmead Town Show was organised in the summer of 1971. Were you there? Do you remember the "throw the sponge at the vicar" contest? We have a copy of the programme but are missing the front cover – do you have one hiding away? Cash prizes to be won for anyone who can provide the programme cover and other memorabilia! Email: thamesmeadnow@peabody.org.uk

We hope you enjoy the day as much as we have enjoyed planning it. See you there!

Joanne Bernard, Nathalie Coste, Deborah Frimpong, Carolyn Long, Whitney Manassai, Pastor Bunmi Omidiran, Anne Poole, Ian Tyson, Kim Vale, Jamie Zubairi, and Jules.

OTHER WAYS TO GET INVOLVED

Three Rivers

Three Rivers is a four-year action-research programme with a longer term, 10-year mission for Bexley; to instigate a community-led step change in how arts and culture is made and how it is experienced, building the capacity, appetite and ambition for excellent arts and culture in Bexley. It aims to do this by empowering people and communities to take ownership over the means of cultural production - on their own terms and open up a wider conversation about the positive role arts, culture and people play in defining and shaping a place.

To find out more or get involved head to our website www.threeriversbexley.org or contact Scott Burrell at scott@threeriversbexley.org.

Thamesmead Culture Forums

Do you have ideas for Thamesmead's future festivals, events and art projects?

Come to one of our Culture Forums to discuss your ideas and meet other local creatives.

We meet on the first Wednesday of every month from 5-7pm and meetings will alternate between zoom and in person meet ups. Please email Lisa.Drew@Peabody.org.uk to be added to our mailing list and receive further information.

Calling Cultural Young Producers

We want to build a new creative studio for Thamesmead, with young ambitious people at the very heart of it. We're looking for five co-founders with a big passion for creativity, art, community and design.

This paid opportunity starts in September with a series of workshops and mentoring opportunities within the creative industries. It will prepare you to lead the commissioning process for a new artwork, which will be unveiled in Cygnet Square, Southmere in summer 2022.

We're looking to hear from people aged 18-29 and the deadline is 19 August.

This project is being led by cultural producer and former Thamesmead resident, Yinka Danmole, along with curator Vickie Hayward and youth consultant Joseph Gray.

Please visit www.thamesmeadnow.org.uk for more information or email the team at tmsouthmere@danmole.com
