Lesnes and Parkview News

Issue 3 Summer 1998

The Housing Team is pleased to present the summer issue of the Lesnes and Parkview Newsletter. This Newsletter will update you on what has been happening in both Lesnes and Parkview and also update you with other useful and interesting news.

IMPROVEMENTS

In April this year the new financial year began and with it further ideas for improvement.

During 1997/98 a total of over £150,000 was spent improving the area of Lesnes and over £230,000 was spent on Parkview. You will have seen in the last year;

- Vast improvements to the entrance areas of 10 of the high rise blocks.
- Improvements to parking and garage areas in Kale Road and Wolvercote Road.
- Additional litter bins and dog waste bins to both Lesnes and Parkview.
- Enclosed frontages to Mangold Way, Hinksey Path, Lensbury Way and Coralline Walk, increasing privacy for residents.

And these are just some of the improvements that residents have asked for and have been completed within the year from April 1997 to April 1998

This year we intend to continue in the same way with more plans to enclose frontages in Coralline Walk and Mangold Way, as well as further improvements for parking. **WATCH THIS SPACE** for more information.
