# Lesnes and Parkview News

**Issue 4** **Christmas 1998**

The Housing Team is pleased to present the Christmas Issue of the Lesnes and Parkview Newsletter.

This Newsletter will update you on what has been happening in both Lesnes and Parkview and will also update you with other useful and interesting news.

## UPDATE ON RUBBISH DISPOSAL

Despite our effort to ensure the areas are litter free by, amongst others, supplying additional litter bins in public areas, it appears there is a small number of residents who are still not showing consideration for their neighbours as we still receive regular feed back on rubbish dumping.

We would therefore like to ask once again that the proper procedure for disposing large items of rubbish is followed.

The Procedure is to contact Bexley Council on 0181 303 7777 to arrange removal and not by dumping them outside your home or in public areas!

We do not think it is fair for a few residents to ignore this procedure thereby inconveniencing other residents.

As a result, we have decided that residents caught dumping rubbish or to whom improperly disposed items of rubbish are traced will be charged for the cost of the clearance.

## GARAGES

We are shortly going to begin garage refurbishment in Wolvercote Road. So there will be several newly renovated garages available directly behind Hibernia Point.

We also have garages available in most other areas, so there should fewer parking problems in Parkview and Lesnes!

To increase security for you, we are able to fit lockable scaffold bars across the door of your garage. There is no charge for this service, just call and request one.

Weekly rent prices for garages are as follows:

For a Thamesmead Tenant

| | |
|---|---|
| Regular | £5.50 |
| Secure | £7.50 |

For Homeowners and Non-Thamesmead Residents

| | |
|---|---|
| Regular | £6.46 |
| Secure | £8.81 |

It is possible to rent a garage even if you are not a Thamesmead resident, so be sure to tell any friends and relatives who may be interested.

## MORE FRONTAGE ENCLOSURES FOR MANGOLD WAY

Work is due to commence from January on enclosing the fronts of a number of homes along the main thoroughfare of Mangold Way, between Alsike Road and Maran Way.

The properties involved in this scheme are 42 - 60 (evens) and 100 - 138 (evens). They will benefit from individual brick walls and entrance gates that will enhance home security and hopefully reduce the incidents of vandalism and graffiti in the area.

This improvement has been a great success in other parts of Parkview and Lesnes and we hope to be able to extend this benefit to more residents in the future.

## SHOW HOME ON BINSEY WALK

126 Binsey Walk, the show home for the Comfort 2000 project has been open since the end of September 1998, for tenants and homeowners to view a property fully converted to the Comfort 2000 specification. Opening times Monday to Friday 10.30am - 12.30am and 1.30pm - 4.30pm.

## BANGER RACING FOR CHARITY!

On Sunday 18th October 1998, the women of the Parkview and Lesnes Housing Team entered a Ladies Charity Banger Race for Childline, as the "Thamesmead Tearaways!". The race was a success, except for the Mr Blobby car not starting!!

The winner was Jackie Andrews, Area Housing Manager and runner up was Lorraine Stitson, Area Housing Officer. Everyone had an enjoyable time and we were able to raise over £600.00 for Childline!

## ENVIRONMENTAL IMPROVEMENTS

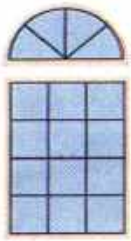

The External Painting Programme 1998/99 has nearly come to a close with Argali, Dexter, Harlequin, and Muscovy House as well as Teeswater Court finished.

Those areas left in Mangold Way, Lensbury Way, Maplin and Wyfold House, and Shire Court are nearly completed and hoped to be finished by Christmas weather permitting!!!

Kitchen Refurbishment programmes have now been completed in Buckwheat, Shire and Teeswater Courts with approximately 40 kitchens replaced. Further Kitchen Refurbishment programmes are planned in Maran Way starting in December.

Phase 2 of the Wolvercote Road Garage Refurbishment's behind Hibernia Point has been put out to tender and works should be starting shortly. Anyone renting a garage in this area (garage numbers 879 - 891 Wolvercote Road) should contact Melanie McAdam for a temporary garage whilst works are carried out.

The U.P.V.C. Window Replacement programme in Maran Way has now been completed. The next U.P.V.C. Window Replacement programme in Lensbury Way is due to start in early December and is due to be completed mid March 1999.

Other programmes in progress at the moment in Lesnes and Parkview include the Northern Light Replacement programme on Coralline Walk.

## YOUR HOUSING TEAM

Unfortunately, we have had to say goodbye to Mr Femi Joshua who has left the company to pursue a career as a Solicitor. If you have any queries, do not hesitate to contact anyone else in the team who will be happy to help you!!

## SEASIDE & COUNTRY HOMES SCHEME

Are you over 60 and would like to live by the Sea or in a Countryside environment? If so, the above scheme is for you. There are over 3,200 properties within the scheme all around England from Cornwall to Yorkshire. Most areas are available however, Kent, Essex and Sussex have a high demand for these properties and the waiting list is very, very long!! The properties are either two bedroom bungalows or flats in a low rise block with either one or two bedrooms and you don't need to have any family connection in the area you wish to move into. If you would like more information about this scheme please contact Amanda Grainger on 0181 310 1500 ext. 203.

## CAN YOU HELP AT CHRISTMAS?

With Christmas around the corner, we are seeking groups of children from schools, brownies, cubs etc. who would be interested in entertaining elderly residents at Teeswater Atrium in Mangold Way.

If you have any festive ideas for Nativity Plays or Carol Concerts please call Melanie or Louise on 0181-320-3406

## ARREARS ADVICE DAY

The third advice day was held for tenants on 19 November 1998 and although numbers were less on this occasion, it was still helpful to many.

The next advice day is now being planned and we hope to arrange it to coincide with the next issue of rent statements.

A leaflet will come through your door after Christmas, so if you need to speak to someone about rent, make a note to come along!!!

## MERRY CHRISTMAS EVERYONE!!!!

And Finally, Everyone here at Thamesmead would like to take this opportunity to wish you all, a very Merry Christmas and a Happy New Year!!!
